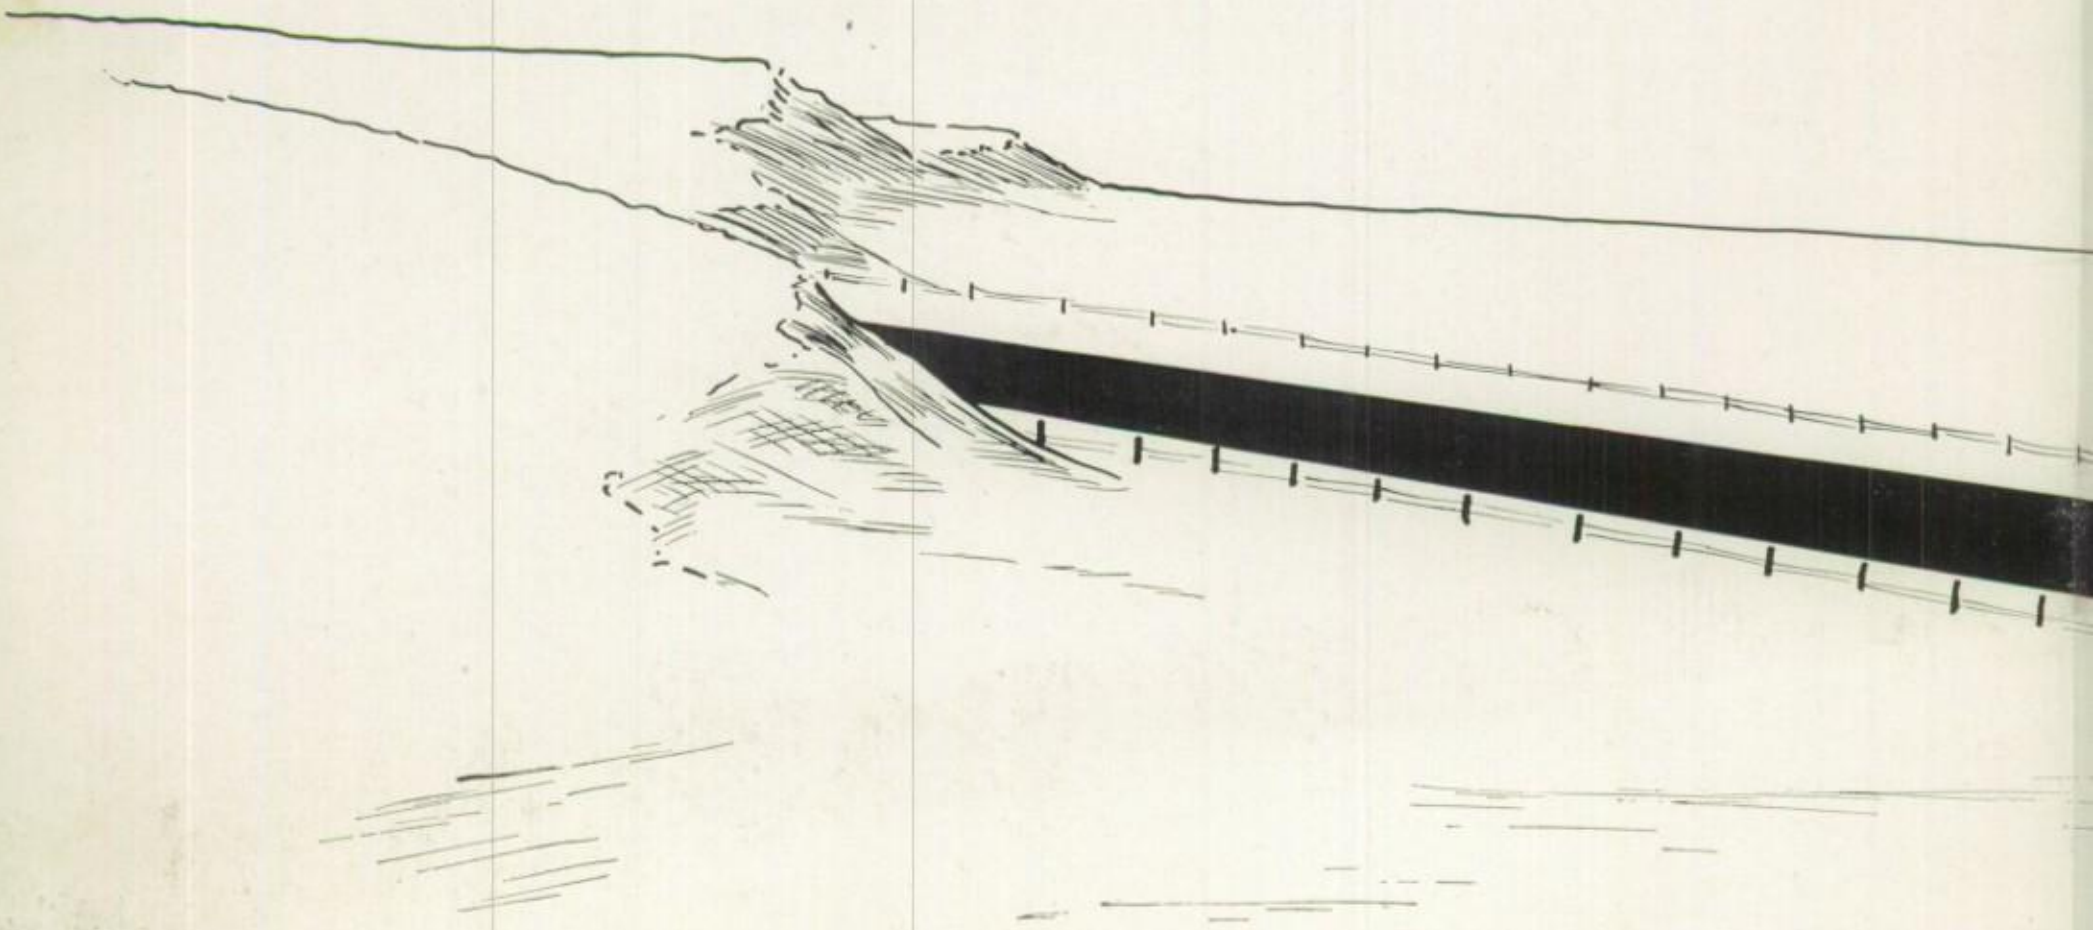
Foreword

Every year from homes scattered throughout the community, hundreds of Amarillo youth join the host who travel the Great Highway through AHS. To be sure, the road has its rough places, but any Sandie will agree that most of the way is clear and smooth. This book attempts to catch and hold many of the memories of events and little everyday happenings along the Great Highway as they were lived and witnessed by you, the Traveler of 1949.



Well Bob
We've had one

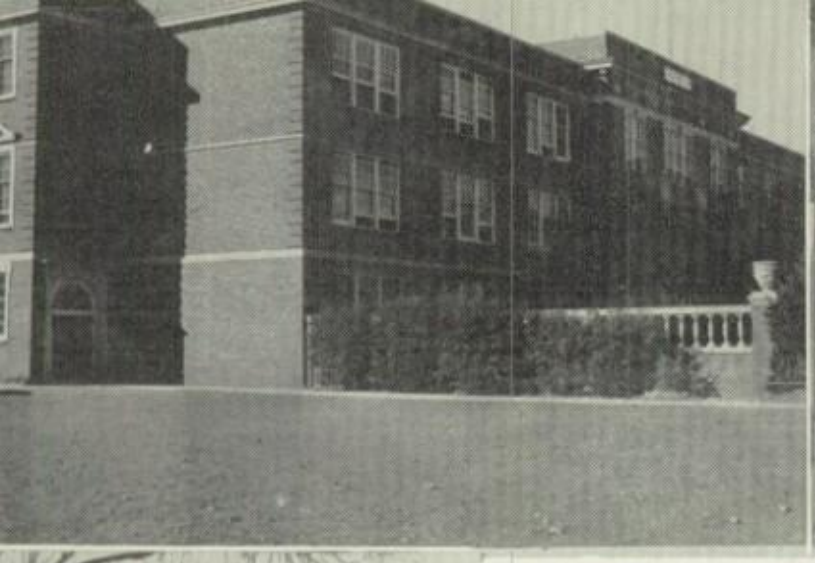
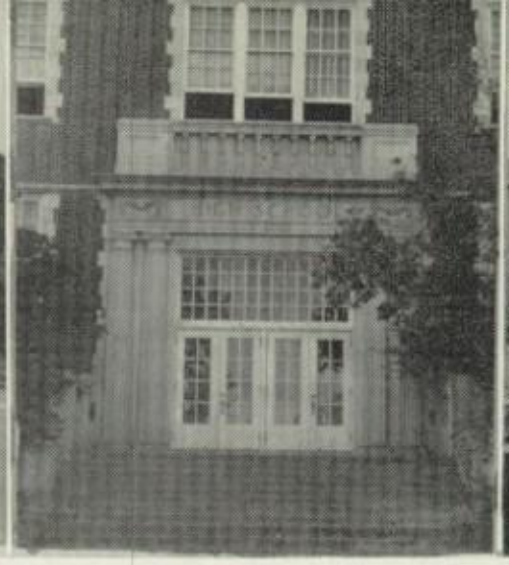
Dedication

☆

As we look back through our year as travelers of the Great Highway through Amarillo High School, we find visible evidence that our way has been made sunnier and our road smoother by many who have traveled before us. It is to these people, with our sincerest gratitude and deepest appreciation, that we dedicate this, our La Airosa of 1949.

Looking northward from Ninth—Polk Street at night.





Oh, A. H. S.

A. H. S. Oh, A. H. S.

We'll sing your praise tonight,

To let you know where'er we go

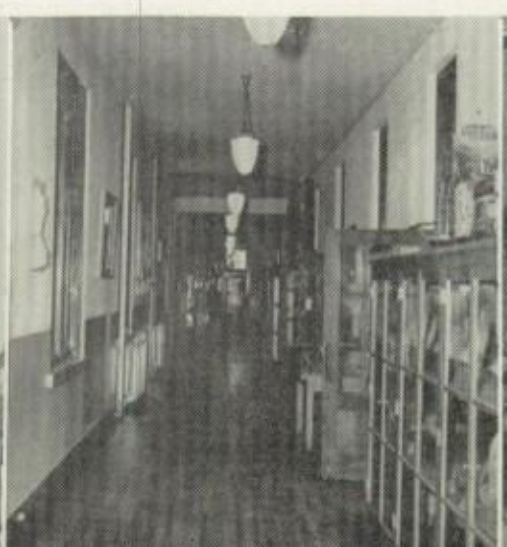
For Black and Gold we'll fight.

We'll sing your worth o'er
all the earth –

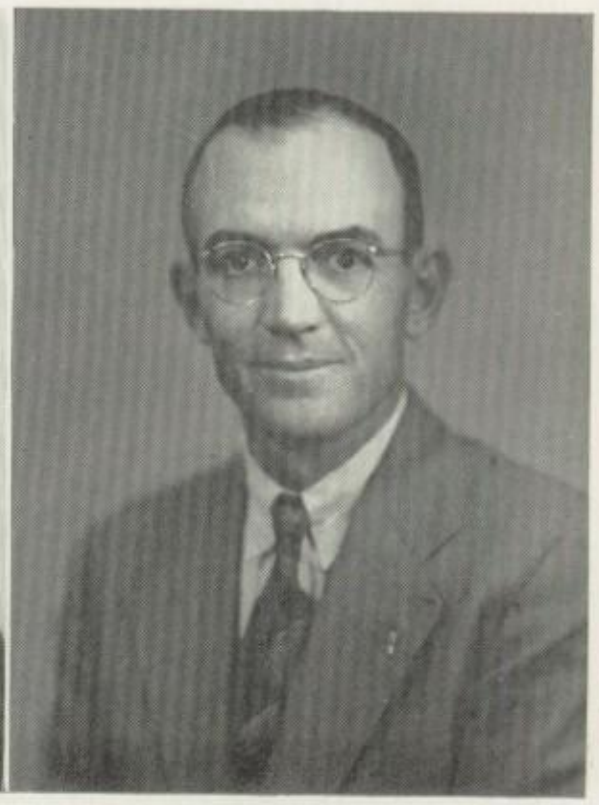
Of schools you are the best.

In books of fame we'll
write your name,

Oh, A. H. S.



Charles M. Rogers
Superintendent of Amarillo
Public Schools



A. R. Bivins
President of Amarillo Public
School Board

This group of public-spirited men have unselfishly donated their time and effort to the formulating of policies and the administering of the affairs of the Amarillo Public Schools. We of AHS sincerely thank them for making our school life more pleasant and profitable.

The members seated are: H. Sim Kelly, J. B. Briscoe, A. R. Bivins, H. Herman Smith, E. M. Blackburn, Jr., W. B. Gunn. Those standing are: Charles M. Rogers, R. A. Wilson, George M. Waddill.

Deans

M. L. Matherly, the assistant Principal of A. H. S. is a great inspiration to the entire student body with his enthusiastic support.

Those who know him are familiar with his sense of humor and easy conversational manner. His job, being one of the hardest in the school, requires patience and understanding in dealing with the students of A. H. S.

M. L. Matherly

Mrs. Thomas Haynie

Mrs. Thomas Haynie became Dean of Girls this year because of her outstanding abilities in working with the students of the school. Her friendly and helpful suggestions are invaluable to the girls who come to her for advice, and her untiring efforts have made her deserving of this position.

Mrs. Helen McCuen

Mrs. Helen McCuen is of great service to the school in her position as registrar in recording grades and attending to the many business transactions.

Miss Minnie Feierabend; Mrs. Effie Burkhalter; Miss Carmen Ulm

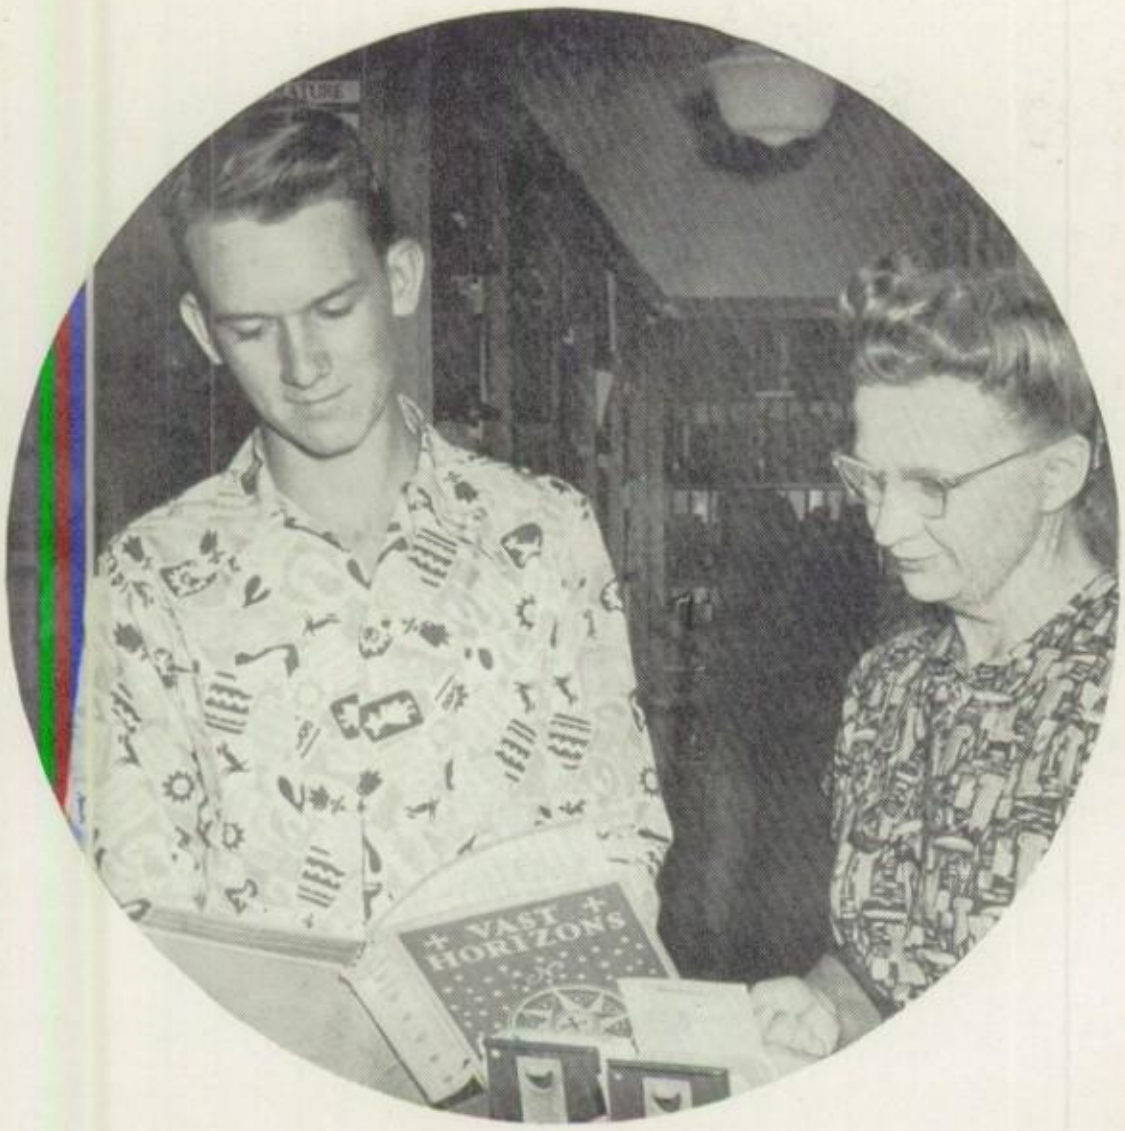
The councilors are ready at all times to aid in scheduling courses, evaluating credits, and in giving advice on the different colleges and their entrance requirements.

Miss Jewell McCaskill,
Visiting Teacher

R. A. Selby

R. A. Selby, the director of Secondary Cirriculum and Guidance, plays an important part in the administration of our school system.

Mrs. Twila James and Miss Lois Henderson,
Office Secretaries



Library

Johnson, Miss Joyce;
Penn, Miss Lucyle

The library is one of the most attractive rooms of the school. Study halls are held here and students find it very helpful because of the many new books and available references.

Foreign Language

This department consists of classes in Spanish and Latin. These courses offer not only the opportunity to learn the language, but to learn the customs of the countries also.

Klapproth, Miss Anna Mae; Ballard, Miss Viola; Wallis, Miss Gladys

English Department

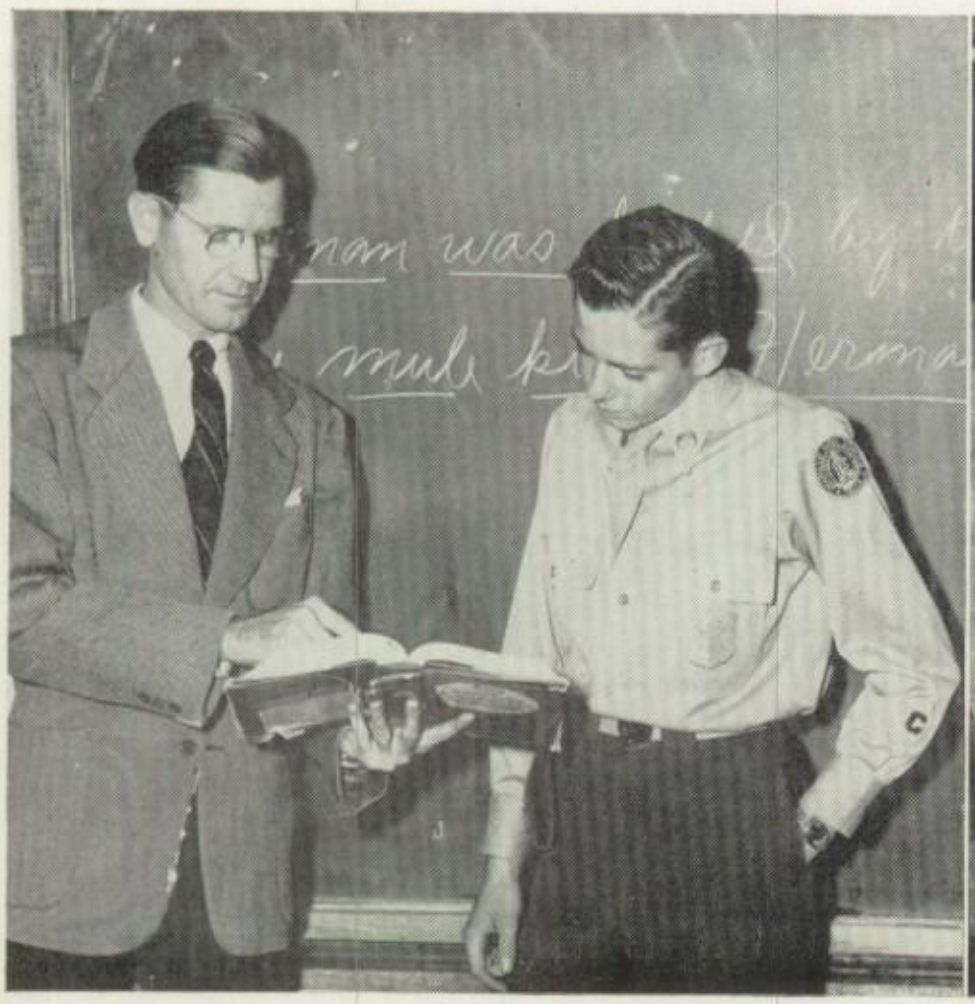
Browning, Mrs. Maud; Schoen, Mrs. Marion; Atwood, Mrs. C. P.

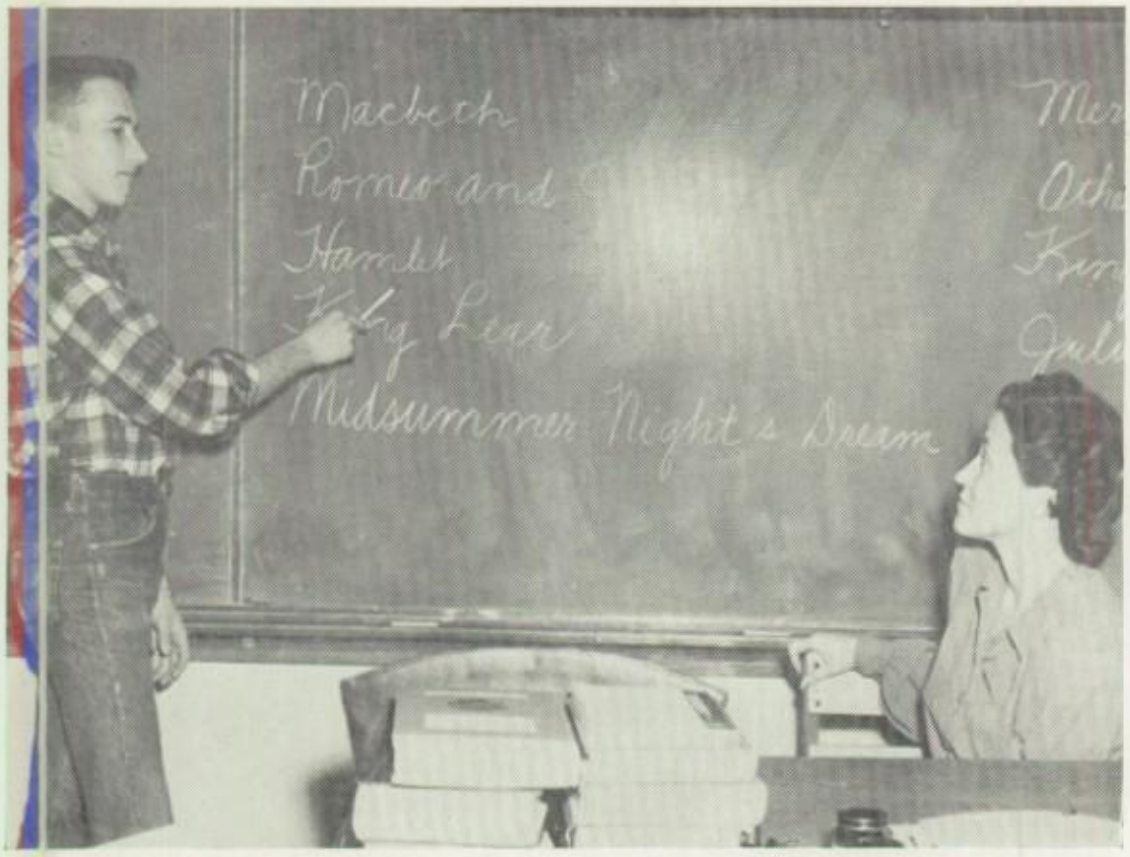
Crawford, Miss Irene

Dillingham, Miss Faye

Donnell, Miss Marie

The English Department is very important in A. H. S. Fine prose, poetry and drama, along with the essential grammar points make English more varied and interesting.





These classroom shots show the planning and work done in preparing a successful course in English.

McDavid, Mrs. Alice

Davis, Mrs. Hazel

Metz, Mrs. Jeanne

Wilson, William C.

Russell, Miss Louise

Johnston, Mrs. R. B.

Speech and Dramatics Department

Courses in speech and dramatics offer students ample opportunities to prove their abilities in speaking and acting. These courses prove to be very interesting and worthwhile.

Whitworth, Mrs. N. N.
Flathers, J. H.
Mercer, Miss Jessie

Bond, Miss Dorinda; Jones, C. C.; Boger, Dr. Roy

Journalism

These three electives prove to be very popular among the students. Being educational, creative, and inspirational, they lead students into new fields of knowledge.

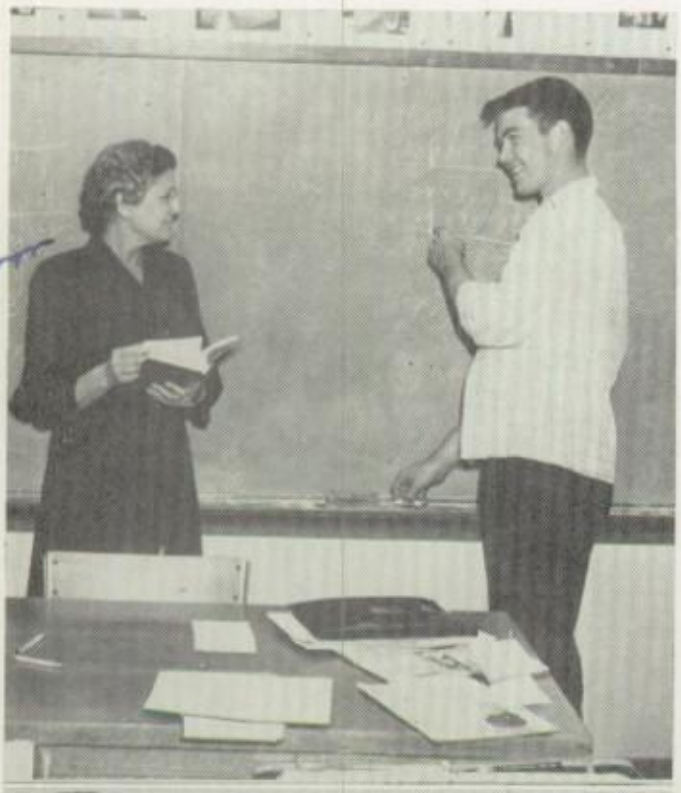
Mathematics Department

Boswell, J. M.; Cox, Mrs. Bowen; Johnson, Miss Leta; Shaller, Mrs. C. C.

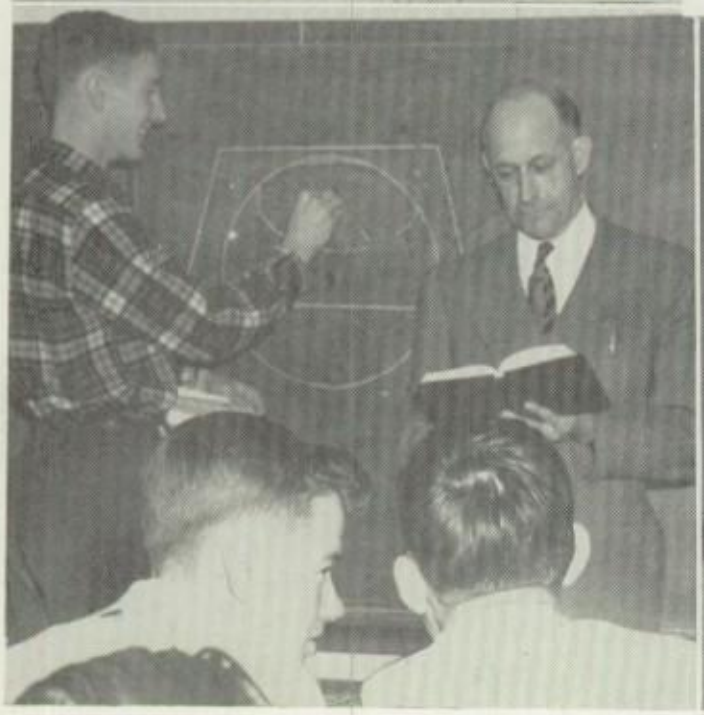
Sanders, E. G.; Savage, E. M.; Underwood, Hugh; Wilson, Miss Kate

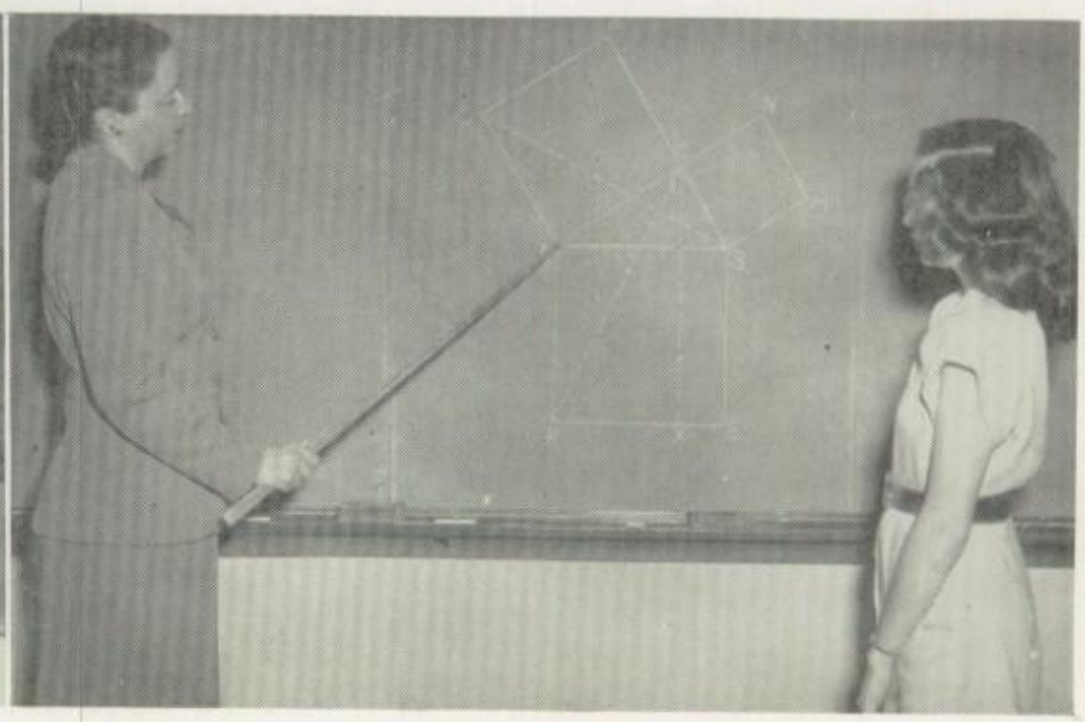
K.W.



K.W. Wilson

The Mathematics Department has an excellent course of study with a choice selection of teachers. From first year algebra to trigonometry, math courses offer a good background for college work and further studies.





Science Department

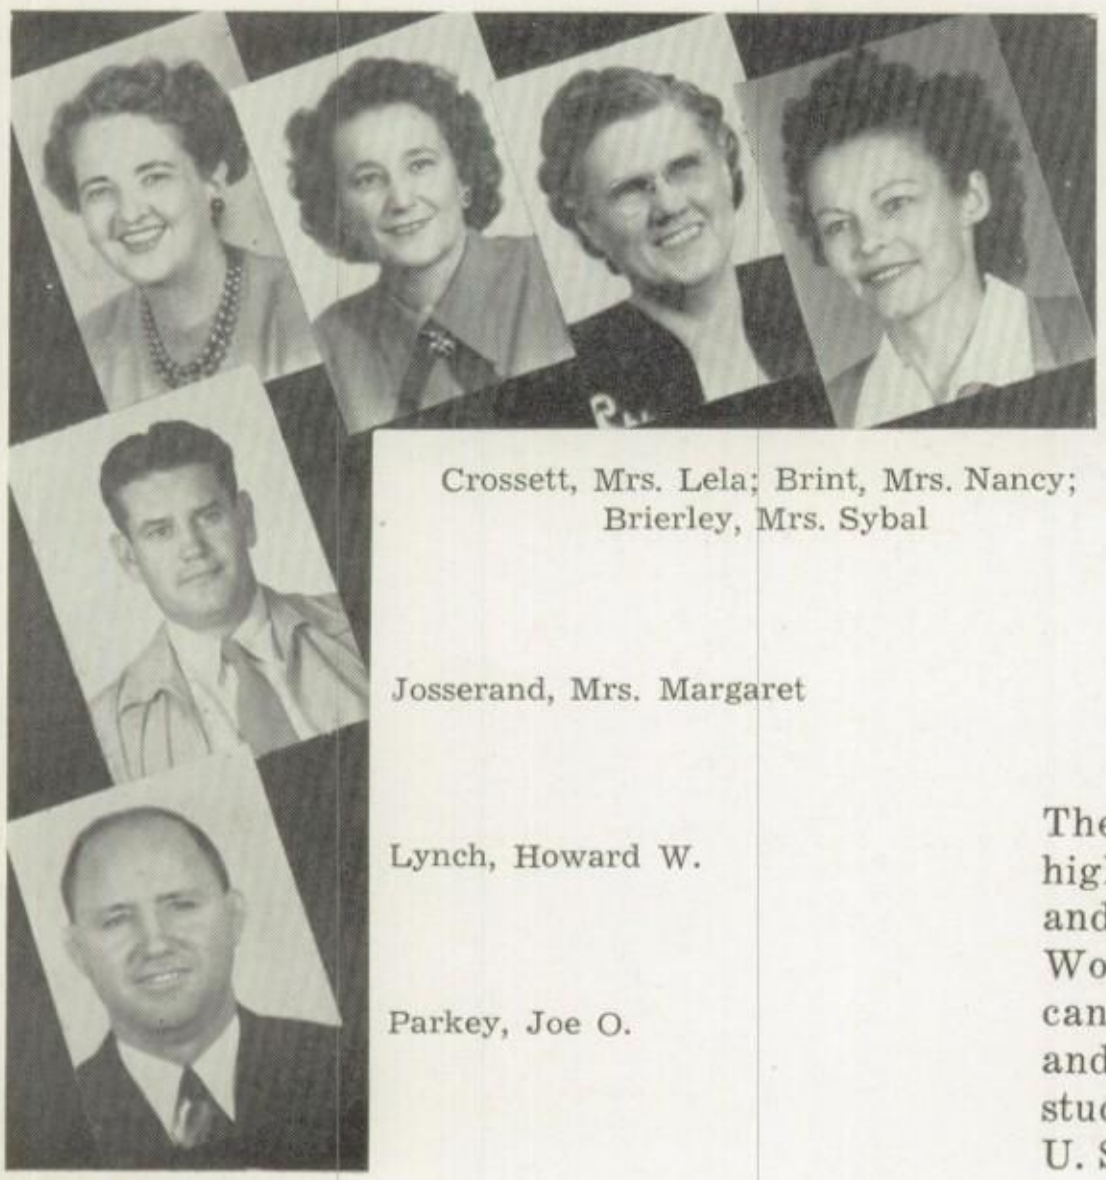
Hammit, E. L., Jr.; Nelson, Mrs. Allie; Rodgers, Mrs. Mabel

The scientific program in AHS is very well developed. Courses in biology, chemistry, and physics are well planned and very helpful to students interested in these fields.

Emileen Walden
Physics
Best wishes + congratulations

Walden, Mrs. C. C.; Wallace, C. A.; Kaye, Mrs. Atlanta; Swettman, Herman

History Department



Crossett, Mrs. Lela; Brint, Mrs. Nancy;
Brierley, Mrs. Sybal

Josserand, Mrs. Margaret

Lynch, Howard W.

Parkey, Joe O.

The History Department in our high school supplies varied kinds and types of history. Studies of World History, Texas and American History, American Problems, and American Government help students to realize what makes the U. S. so outstanding today.

In these informal classroom shots, you see various phases of the study of history, and the interesting manner in which it is presented.

Roberts, Miss Laura

Tolbert, Miss Ruth Ann

Wallis, Miss Gladys

Zobisch, Miss Clara

Evans, E. T., Jr.

Snyder, Miss Laura

Commercial Department

These subjects help to prove skill and accuracy in preparing for work in school and after graduation. They are of great practical value and the modern machines and methods used make them even more enjoyable.

Anthony, S. G.;
Shows, Miss Adelle
Braudt, Mrs. Corrah;
Shows, Miss Velma
Bridges, Miss Betty;
Bowman, Miss Lurline

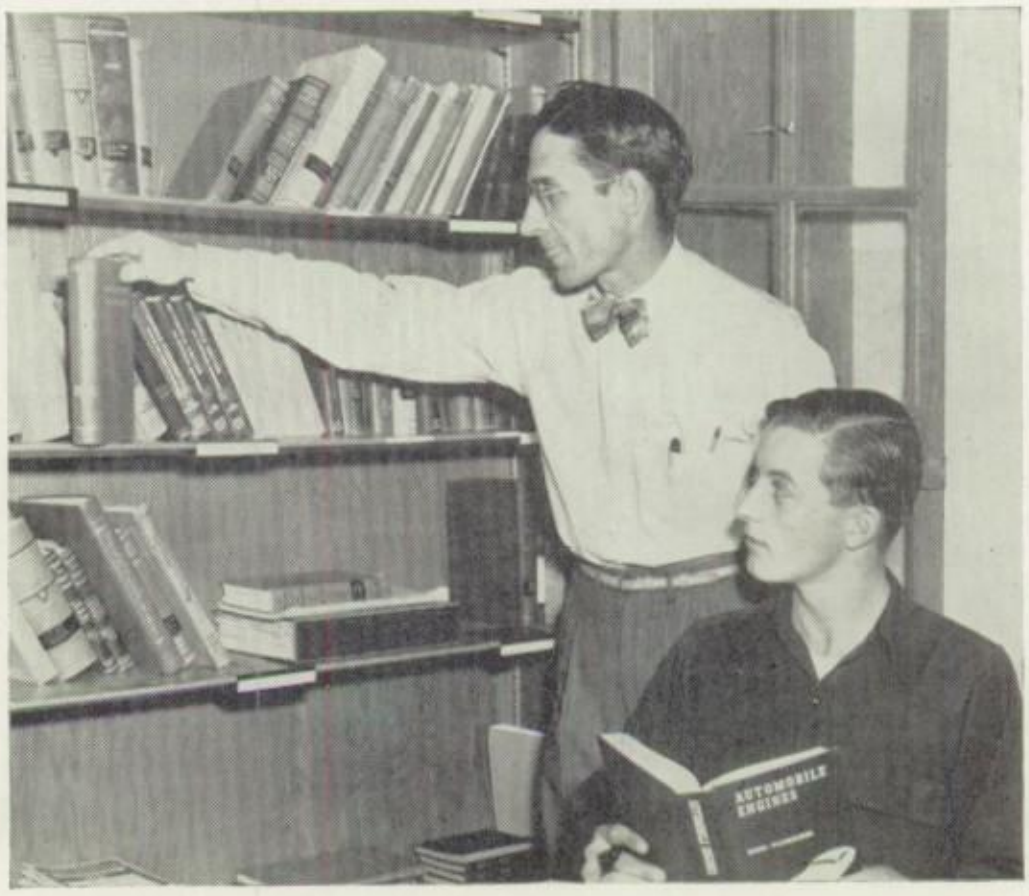
Distributive Education

Cobb, Howard; Diggs, Oliver

Distributive Education teaches students salesmanship, business tactics, and relationship between employer and employee.

Diversified Occupations

Growth in industry, honesty, and service is the motto for the students taking D. O. They work part time, putting to practical use the knowledge they have gained from this course.



Home Economics

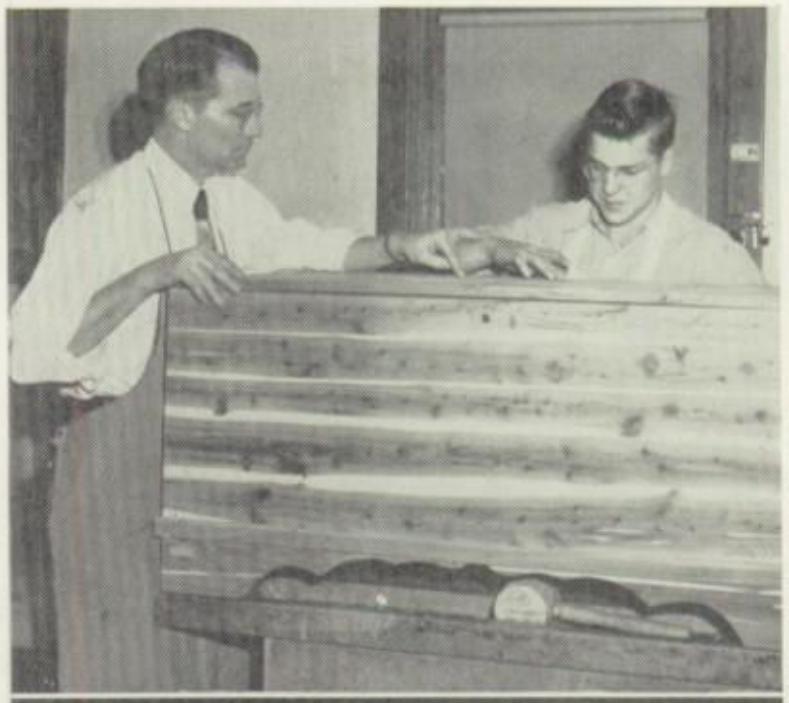
Annis, Miss Francis; Jennings, Mrs. E. C.;
Pevehouse, Mrs. Lola

Clothing and foods are two of the most practical courses offered for girls interested in planning a home. Interior decoration, planning meals, and child care are but a few of the interesting units of these subjects.

These typical classroom pictures taken in foods and clothing labs show students working on their projects.

Mechanical Arts

The pictures on this page show the boys working on their projects in shop, metal work and mechanical drawing.



The courses in mechanical arts are of a creative nature and of much value to the boys in future businesses. Their well-done projects are valuable and make it worthwhile for all their time spent.

Hull, T. G.; Mitchell, M. W.; Taylor, Rupert A.; Pool, Archie B.

Dicken, Miss Louise;
Rowe, Clyde

Music

Instrumental

Orchestra and Band are courses offered for students interested in playing musical instruments. The training group gives pupils special help in learning the fundamentals. These pictures show some of the worth-while instructions given to the music students.

Department

Vocal

Evans, Mrs. Julia Dean;
Thompson, Miss Tennie

Several choirs are available in AHS for persons interested in singing. Various types of music, public appearances, and contests give choir members an interesting subject which brings much pleasure.

These combined groups gave excellent performances, and through mutual co-operation produced "The Mikado" this year.

In an effort to create the yuletide spirit, the seven hundred songsters assembled on Polk Street, entertaining throngs of Amarilloans.

Boys' Physical Education

Lynch, Howard; Hull, T. G.
Gamblin, R. D.;
Whinnery, John C.
(not pictured)

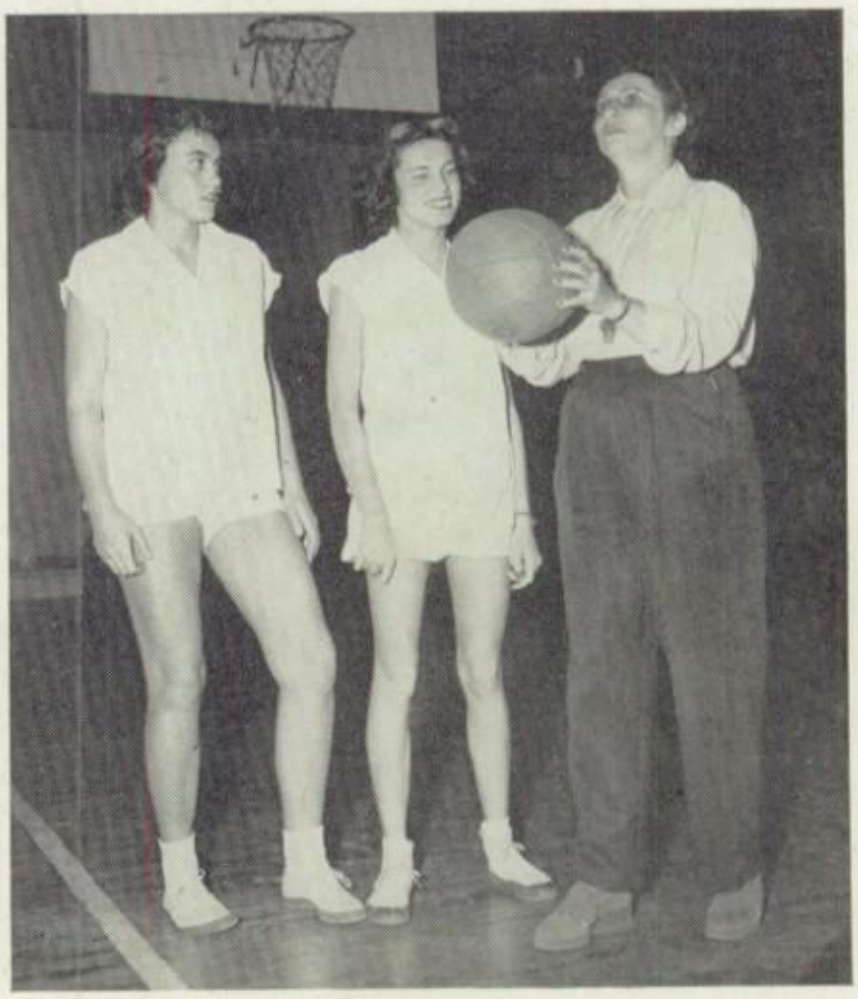
Boys' P. E. is a well-planned course, including all kinds of athletic activities. Inter-class basketball and football games, along with other competitive sports, give them good team spirit and develop sportsmanship.

Girls' Physical Education

Williams, Miss Jane
Foreman, Mrs. Dorris

Girls' P. E. has a varied program of activities including basketball, volleyball, tumbling and soccer along with the less strenuous sports of ping-pong and badminton. The program also includes informative health lessons.

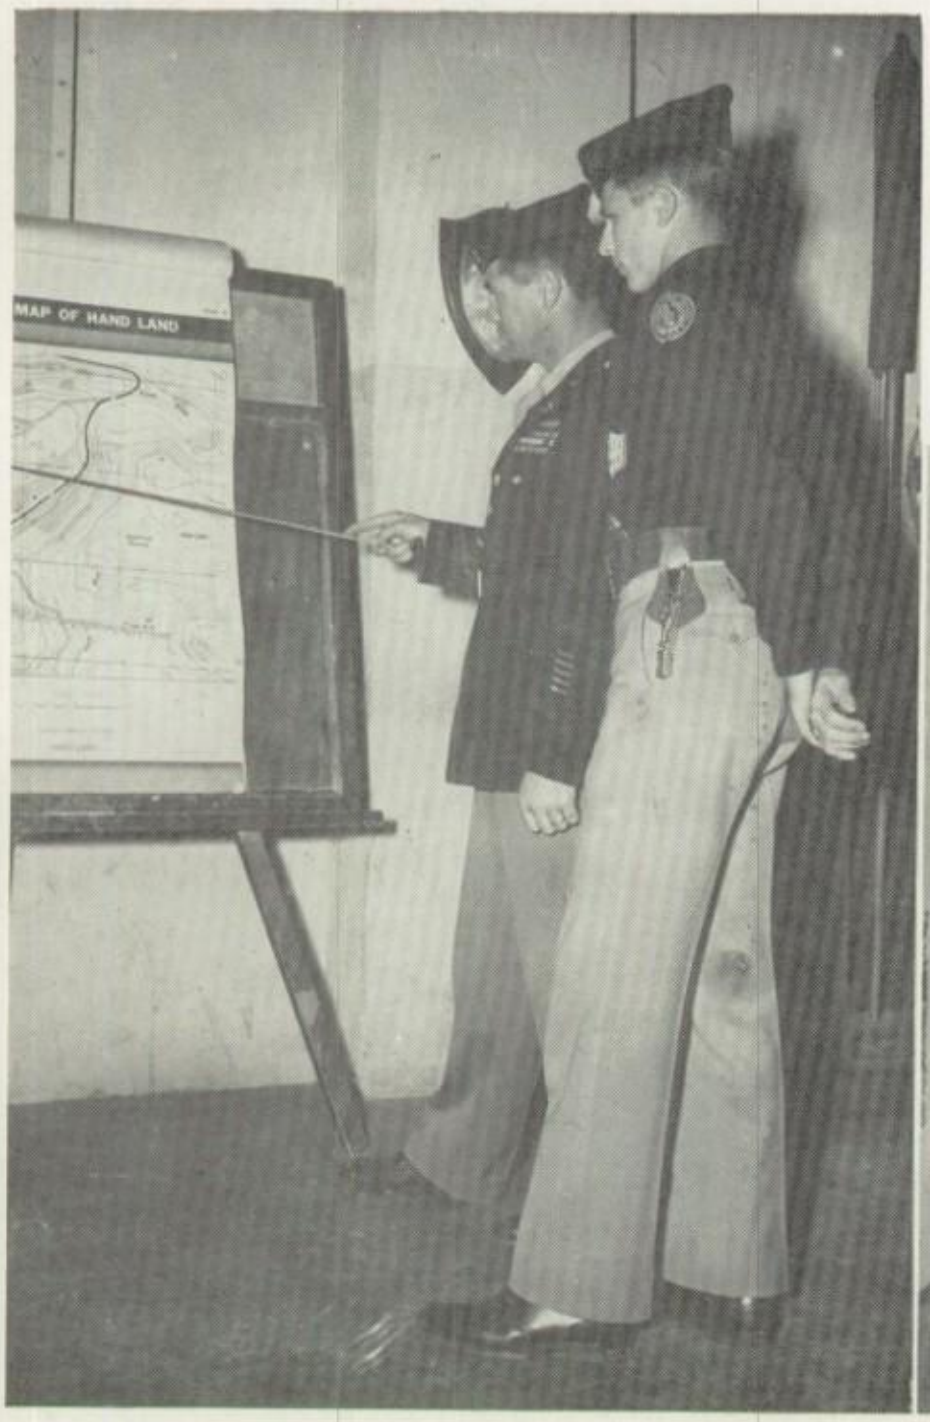
In the picture, right, Mrs. Foreman is shown demonstrating the correct position in handling a basketball. In the picture above, Miss Williams is shown in the dressing room, checking the roll.



Reserve Officers Training Corps

Matney, Carl P.

In the picture below, Major Matney is shown giving direction to the colonel of the Corps for a military maneuver. The one to the right shows the Major checking the accuracy records of the rifle team.



The R. O. T. C. is one of the best organized military training units in the state. It trains boys in discipline and leadership and gives them high standards for moral living.

Carl P. Matney

School Workers

These workers give of their time unselfishly and render much service to the school. Their friendly attitude makes them well-liked among the students of A. H. S.

The above picture shows our custodians and matron. To the right and below are pictures made during the lunch hour in the A. H. S. cafeteria.

In Loving Memory

We dedicate this book to our beloved teacher and comrades and to the ideals for which they lived.

They say that life is a highway and its milestones are the years,
And now and then there's a tollgate where you buy your way with tears.
It's a rough road and a steep road and it stretches broad and far,
But at last it leads to a golden town where golden houses are.

A Road Prayer-Song

These to be thankful for: a friend,
A work to do, a way to wend,
And these in which to take delight:
The wind that turns the poplars white,

Wonder and gleam of common things,
Sunlight upon a sea gull's wings,
Odors of earth and dew-drenched lawns,
The pagentry of darks and dawns;

Blue vistas of a city street
At twilight, music, passing feet,
The thrill of spring, half joy, half pain,
The deep voice of the autumn rain.

Shall we not be content with these
Imperishable mysteries?
And jocund-hearted take our share
Of joy and pain and find life fair?

Wayfarers on a road where we
Set forth each day right valiantly,
Expectant, dauntless, blithe, content,
To make the great experiment.

During the football season, the Student Congress Members are seen rushing around in the halls selling football tags to the students and teachers. Student Congress Member Pat Kurten is using his prestige in selling his tags to Peggy Pope and James Kimbrow.

School spirit surged in every Sandie as football season advanced. Don Fletcher and Tom Fotheringham hurry to buy their tickets from Mr. Savage as they plan to make their senior year the best of all in A.H.S.

This year two new figurines, Varsity Vic and Kampus Kate, have been added to the goals to be attained by students of A.H.S.

Carolyn Kelly and James Garner were the first two to be honored for their leadership, citizenship, and service in our school. They were nominated by their classmates and the final selection was made by a secret committee comprised of students and faculty.

The election of class officers and the queen brought new excitement to everyone in A.H.S. Tryouts for the coronation were then held, and twelve radiant girls were chosen to be ladies and duchesses. The competition was keen and made eliminations hard, but it was only friendly rivalry because they wanted, most of all, to have a beautiful ceremony.

Why the puzzled expression, Murton Judd? It seems you are in deep concentration. The task of selecting a college is difficult for most seniors because of the wide selection from which to choose. These college catalogues form the pattern of college life and help each Sandie pick the college which best fits his need.

The Senior councilor, Mrs. Burkhalter, is one of the busiest members of the faculty. Aptitude tests, such as the one she and George Shannon are discussing, is but one of the helpful things she does for the senior students.

As the strains of a hymn come over the Public Address, A. H. S. students unselfishly give of their money to support children in schools overseas. In this picture Dorothy Butterfield takes up the collection, which sometimes goes to other worthy organizations, such as the Red Cross or the March of Dimes.

The morning devotional is a daily part of life in A. H. S. Lloyd Colvin is shown reading the scripture over the Public Address system.

The office girls help run errands for the principal and the counsilors and collect attendance slips such as Wilma Williams and Leona Robinett are doing.

The Thousand Can Drive at Christmas time is one of the most gratifying projects we of A. H. S. undertake. This year, Miss Roberts' senior homeroom, in addition to food and canned goods, spend many hours fixing and painting old toys and shopping for new ones to make Christmas at the Children's Home a little brighter.

This was the second year for the Honor System in AHS. Karen Thatcher was responsible for the drawing of many of the posters in the hall to help remind the students of their responsibilities. Raymond Stoneham adds his moral support as another poster has just been finished.

The girls who help the councilors are the ones who put up the Honor Posters in the hall. Mary Jo Watson and Helen Bufkin are two students who made that one of their responsibilities.

R. O. T. C. sponsors are important members of the corps, for these seniors add beauty as well as efficient service to their companies. Beverly Williams and Freddie Hale are adjusting their uniforms with care, for the sponsors, as well as cadets, must be correctly dressed.

Sadie Hawkins Day strikes a familiar note in the memories of each Sandie. That is the time when the girls don their "Daisy Mae" clothes and the boys attire in their "Lil' Abner" costumes. The girls chase the boys as Carolyn "Daisy Mae" Munday is shown chasing Bobby "Lil' Abner" Moore.

"Class Reunion in '54". The '49 seniors will have many varied and interesting experiments to relate when they return to the familiar halls of A.H.S. in 1954. Undoubtedly Marion Mitchell and Malcolm Lancaster are thinking about those tales as they put up the poster telling of this much talked-about event.

Senior Class President, Bill Franklin, is organizing this group for planning the Class Reunion. Enthusiastic ideas and suggestions were promoted in order that this highly anticipated occason might become a reality.

Kid Day is one of the traditions of the seniors which seems to be most enjoyable, according to the smiles and pranks of Laird Campbell, Frances Boadway, Jimmie Howard, and Neil Hamilton. This gives the "little Kids" a day to act as juvenile as they once were.

The issuing of caps and gowns makes a senior realize that his school days in A. H. S. are almost over. Mrs. C. P. Atwood is helping these students, as she has for many years, in getting the right size.

A Senior's Farewell

Four years have passed!—Are these
fond memories true,
Or but my own illusion of the
gloriousness of you?
Of warm, light-hearted laughter
that echoes in your halls
And in vain entreats us to remain
where comradeship enthralls?

Days filled with happy learning,
years, with fellowship,
Pass slowly here before me, as
memory's wine I sip.
I see our study hall, where,
behind our history books,
We talk of love and football, and
of how the teacher looks.

Will you remember how we cheered
our champion team to win,
And watch the Sandies battle through
to victory again?
No swarm of surly Sampsons, or
Hercules could hold
Our boys from plodding goalward,
led by your Black and Gold.

And now, dear school, the band strikes up
that fond, familiar tune;
Your song we sing this last time now—
we part, you know, come June.
And as we stand bareheaded, our
brimming eyes caress
The memory-waking scenes you hold—
Farewell, A. H .S.

Mary Ann of the House of Todd

Queen of Amarillo High School

Amid pomp and splendor befitting her regal position, Queen Mary Ann of the House of Todd received the crown and scepter of Sandieland on November 11, 1948. This was the outstanding event of the school year.

From the Land of the Senior Class: Lord Chamberlain Bill Franklin, Princess Lynn of the House of O'Brien, President of the Council Gene Gately.

Duchess Edna of the House of Blanchard escorted by Duke Don of the House of Fletcher. Duchess Colleen of the House of Maggard escorted by Duke James of the House of Kimbrow.

Lady Mary of the House of Munn escorted by Lord Bobby of the House of Moore. Duchess Dorothy of the House of Saddoris escorted by Duke Scott of the House of Mills.

Duchess Martha Lou of the House of McCullough escorted by Duke Max of the House of Winberg. Duchess Marilyn of the House of Reagan escorted by Duke Don of the House of Davis.

Queen's

Princess Mary Margaret of the House of Hulen escorted by Prince Jack of the House of Barnwell from the Land of the Junior Class. Princess Nita of the House of Johnson escorted by Prince Harold of the House of Swindell from the Land of the Sophomore Class.

Lady Janice of the House of Fenno escorted by Lord Pat of the House of Kurten. Lady Mary Ann of the House of Richardson escorted by Lord Jack of the House of Sallee.

Lady Martha of the House of Munday escorted by Lord Charles of the House of Sieber. Lady Sidney of the House of Stinnett escorted by Lord Harry of the House of Beck.

Lady Jerry of the House of Josey escorted by Lord Donald of the House of Ratcliff. Duchess Jeanne of the House of Marshall escorted by Lord Jim of the House of Hendrix.

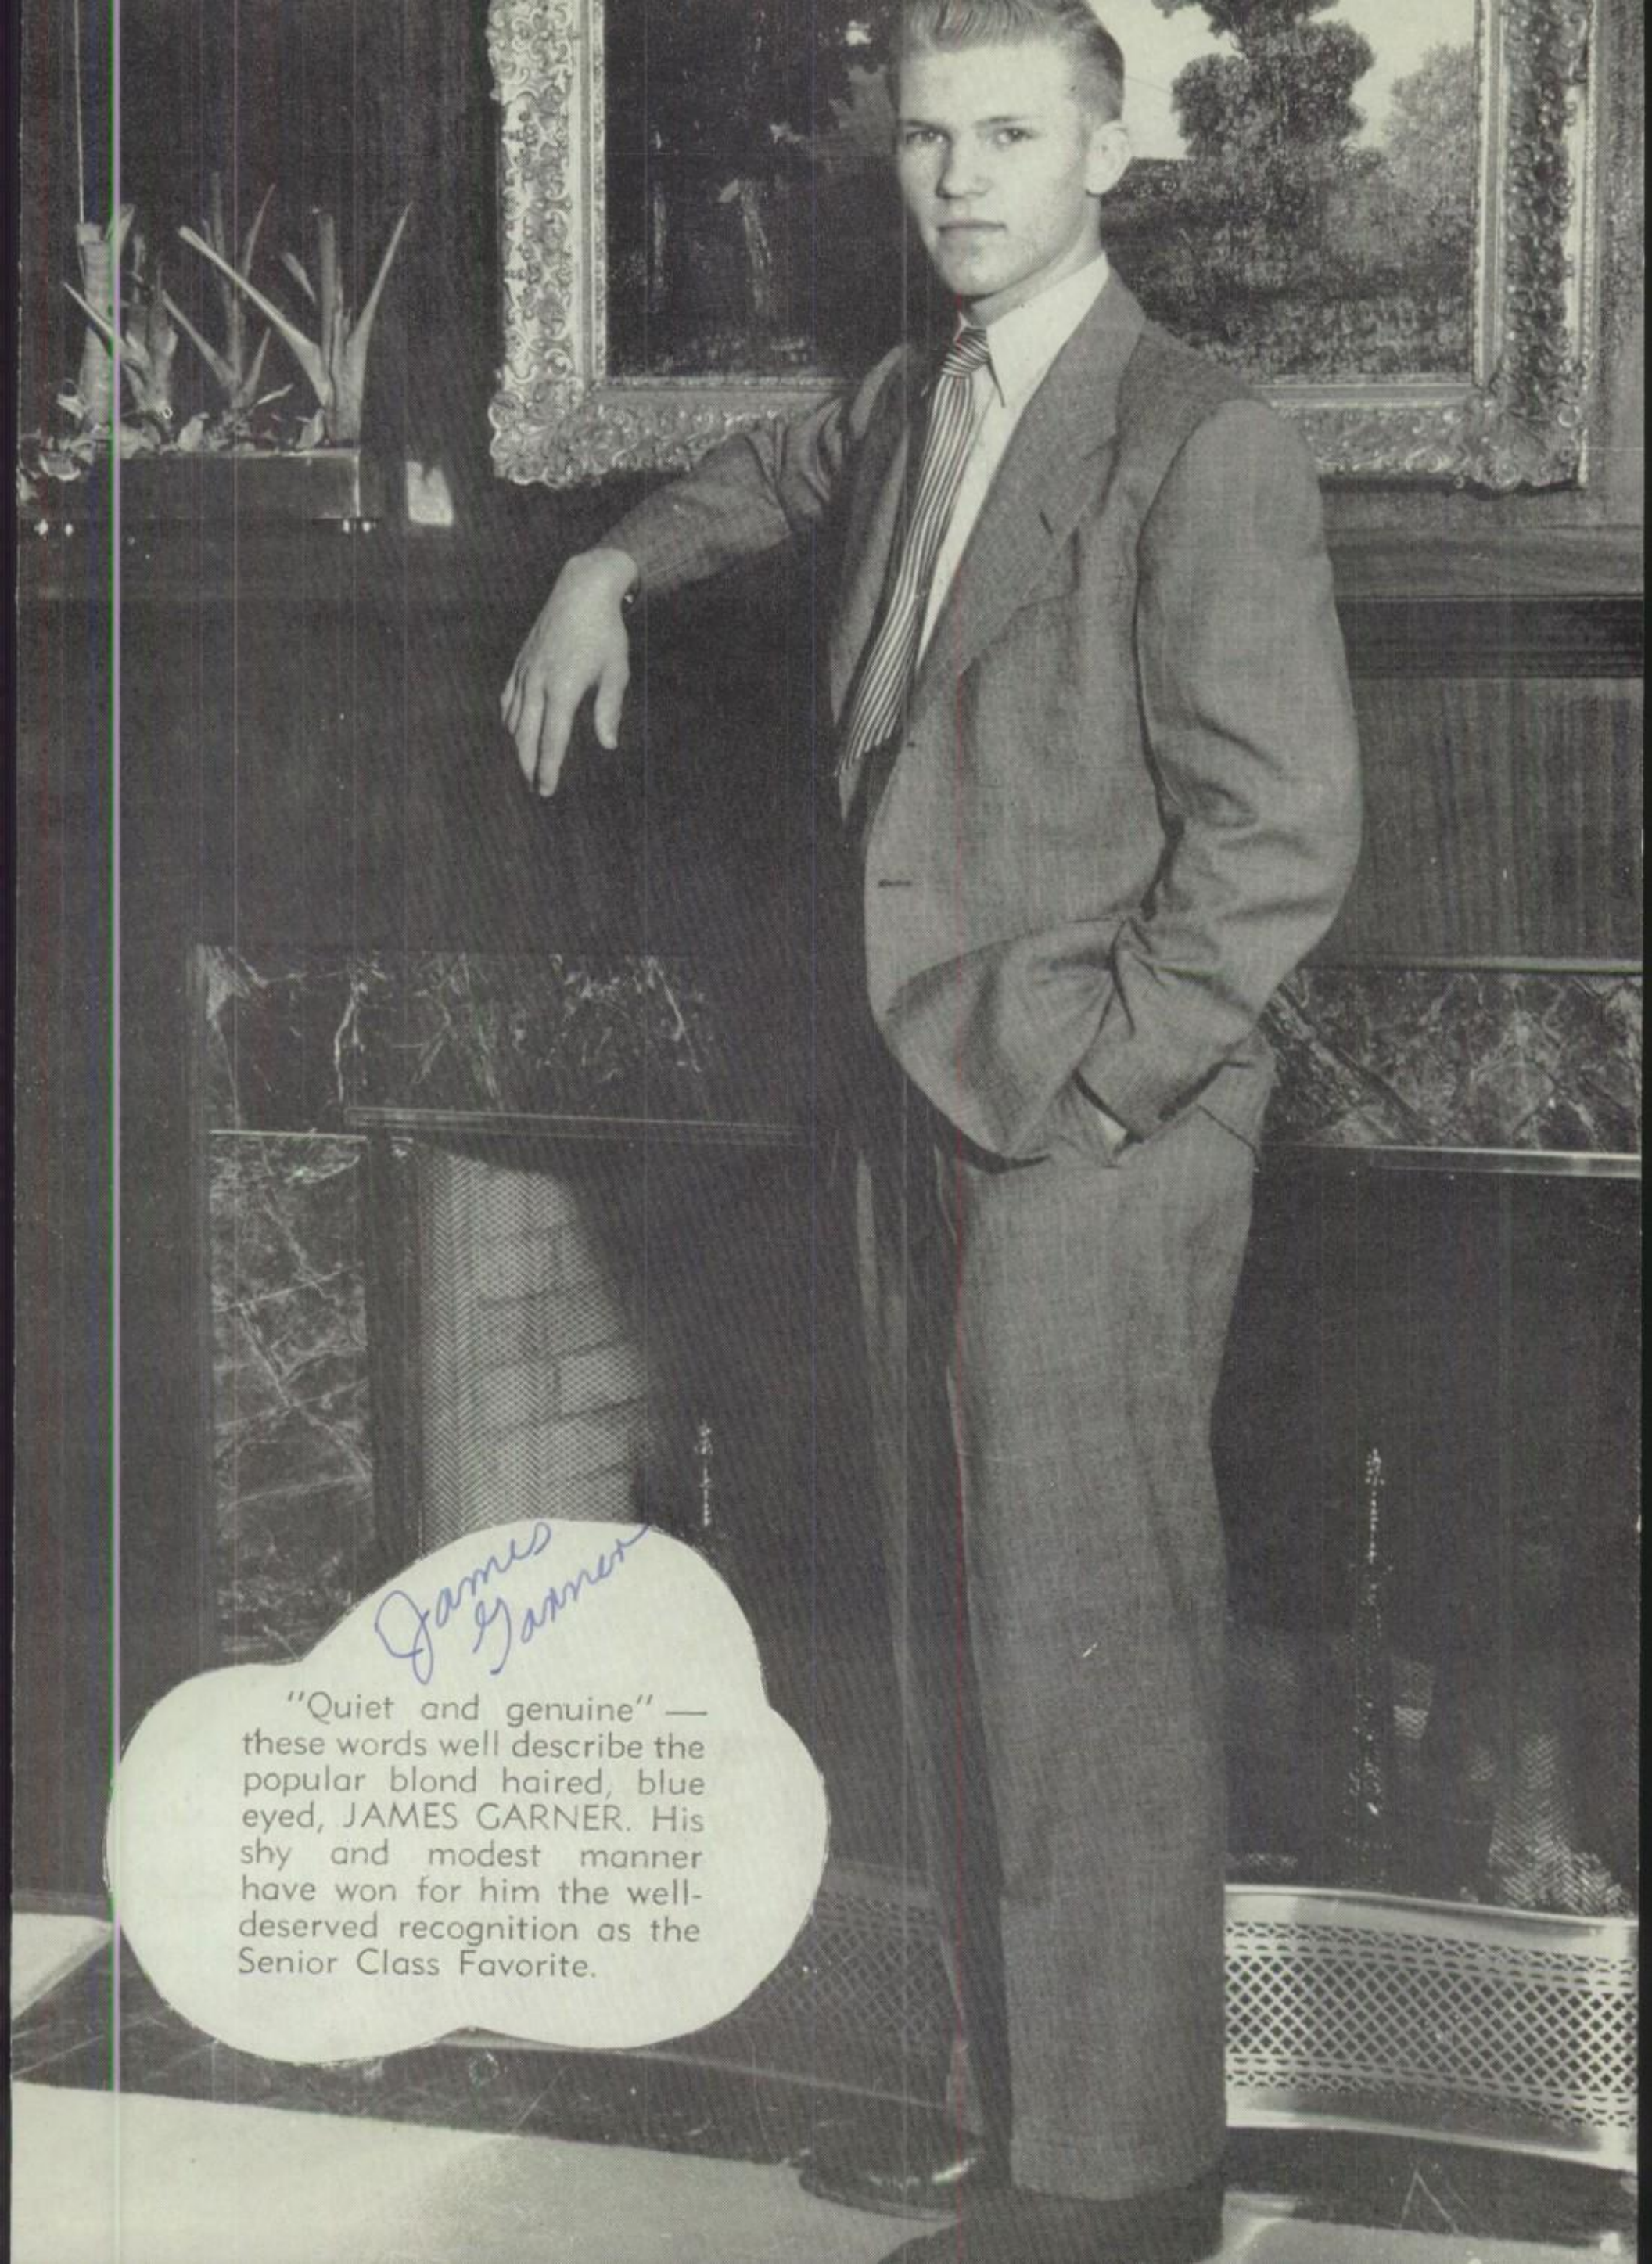
Entertainers: Jack Heath, Truett Fields, Sue Johnson, Guy Dell Ekelund

Pages: Emma Lou Page, Pat Singer, Peggy Cooke, Freddie Jean Hale

Sparkling eyes and a little nose that wrinkles when she laughs are typical of the Senior Class Favorite, HELEN HUGHES. Her sincerity and natural charm easily capture the hearts of all her classmates.



James Garner

"Quiet and genuine" — these words well describe the popular blond haired, blue eyed, JAMES GARNER. His shy and modest manner have won for him the well-deserved recognition as the Senior Class Favorite.

A friendly smile topped with flaming red hair spells JOANNE KELLY who shares the spotlight of junior favorite with DON FITZGIBBON. Don's easy-going manner and winsome grin are his chief weapons in winning friends.

A captivating personality, plus the true Sandie Spirit, brought dimpled NITA JOHNSON and JOHN ISAACS top honors among favorite sophomores.

Sandie Cheerleader

Two bits, four bits, six
bits, a dollar.
All for the Sandies
stand up and holler!

Head Cheerleaders are Deanie Windsor, Jerry Elkins, Beverly Gillespie, Bill Brady, Truett Fields and Jimmy Johnson.

Mrs. Marion Schoen is sponsor.

Assistant cheerleaders are Kenneth Kohler, (not pictured), Jimmy Wise, Marladene Hook, and Mary Margaret Hulen.

Originality and vitality were characteristics of our Sandie Cheerleaders who enthusiastically led the yells at pep rallies and games. Beside the regular duties of decorating goal posts and cheering sections, these ten people were envoys of goodwill and friendship from AHS to out-of-town high schools. New yells introduced this year included the Sandie Bounce, the Amarillo Chant, and the popular Hey, Hey, Ho, Ho Chant.

Who's Who
In AHS

A secret committee composed of ten members of the faculty and fifteen seniors chose the Sandies for the 1949 Who's Who section. The qualities of leadership, honesty, sportsmanship, dependability, citizenship, and service were the deciding factors in the final decisions. A meeting was held for the committee to discuss these qualifications and each member then submitted his own private list of nominations. From these lists emerged seventeen seniors who are represented here as WHO'S WHO in AHS.

CAROLYN KELLY

Kampus Kate I, CAROLYN KELLY, was one of the most active girls in AHS. Carolyn was Honorary Major of the ROTC, second semester editor of THE SANDSTORM, Congressman-at-large, member of the National Honor Society, Ken Klub, and the AHS Tennis Team. As a preface to her chosen vocation, Carolyn is one of the charter members of the Future Teachers of America Club, of which she is president.

BOB LACY

Dry humor, quiet and speedy efficiency as well as warm personal charm mark BOB LACY, who first became a forceful leader of AHS last fall as editor-in-chief of THE SANDSTORM. Popular choice as Congressman-at-large fell upon him and he has been both Cadet Captain on the Staff of the ROTC and a company commander. Holder of a Varsity Vic award, he also has been a member of the National Honor Society, Ken Klub, Quill and Scroll and Hi-Y.

SUZELLA BURSEY

nancial genius of the school paper, SUZELLA BUR-Y serv d as business manager of THE SANDSTORM lping o ganize the finances and selling the advertise-nts for the paper. Susie was also very active in the eech de partment, being a member of the debate team. r club activities were in the National Honor Society, which she was second-semester president.

JAMES GARNER

remost Sandie athlete and AHS scholar, JAMES GAR-ER has divided his tremendous abilities between foot-ll (team captain), basketball, tennis and track, besides ilding up an exceptional grade average. Among school ganizations and honor clubs, the National Honor So-ty, Nat onal Athletic Honor Society, Ken Klub, Steer-g Comm ittee and Student Congress claimed James' ne and ability. Further honor came to James when his ss acclaimed him as Senior Favorite and when he was arded the Varsity Vic title.

DOROTHY SADDORIS

sweet, sincere smile gained many positions of honor an ever-friendly DOROTHY SADDORIS. "Saddorthy" s editor-in-chief of the 1949 LA AIROSA and was ive in the National Honor Society, the Hi-teens (presi-nt), Quill and Scroll, and the eKn Klub. Dorothy was nior class secretary as well as holder of the Kampus te award.

Who's

GENE GATELY

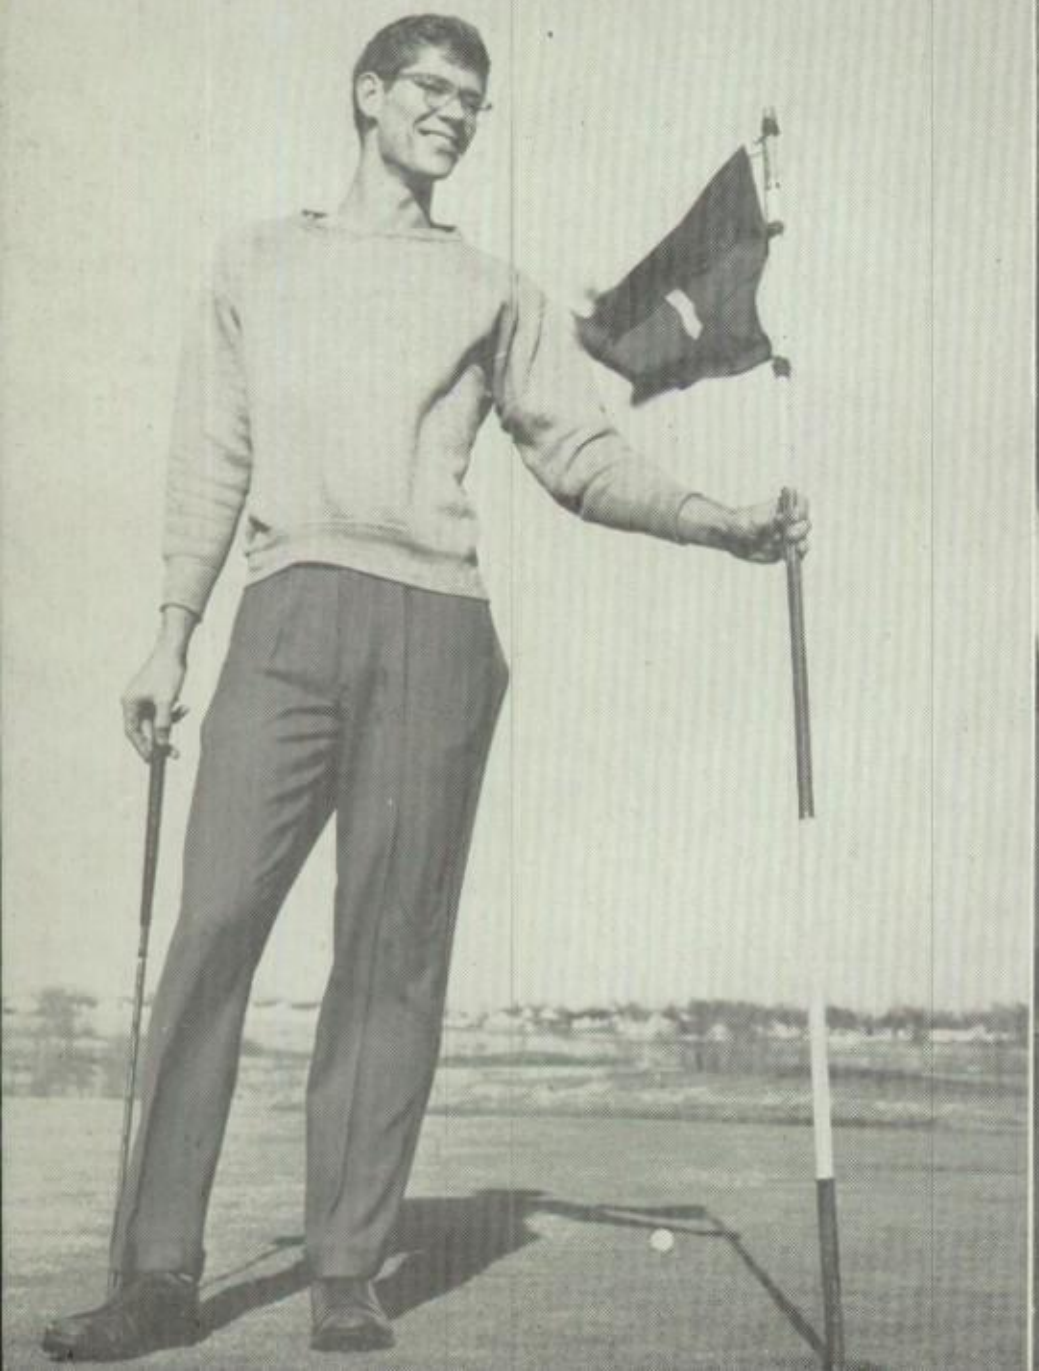
Being just one of "de boys" proves the all-around friendliness and abilities of GENE GATELY, president of the Student Congress. Gene is one of the Big Shots of the Hot-rod Circle, and a member of the National Honor Society, Ken Klub, Internos, and LA AIROSA Staff.

ART McKAY

Heading AHS's foremost honor organization, ART McKAY, president of the National Honor Society, has devoted his time to two distinct fields of athletics and to scholarship. Art played guard on the Sandie basketball team and was one of the champions of the AHS golf team. Also a member of the Ken Klub and Student Congress, Art's quiet, almost bashful, friendliness made him one of the favorite leaders of the Honor System and won him the position of Chairman of the Steering Committee.

BILL FRANKLIN

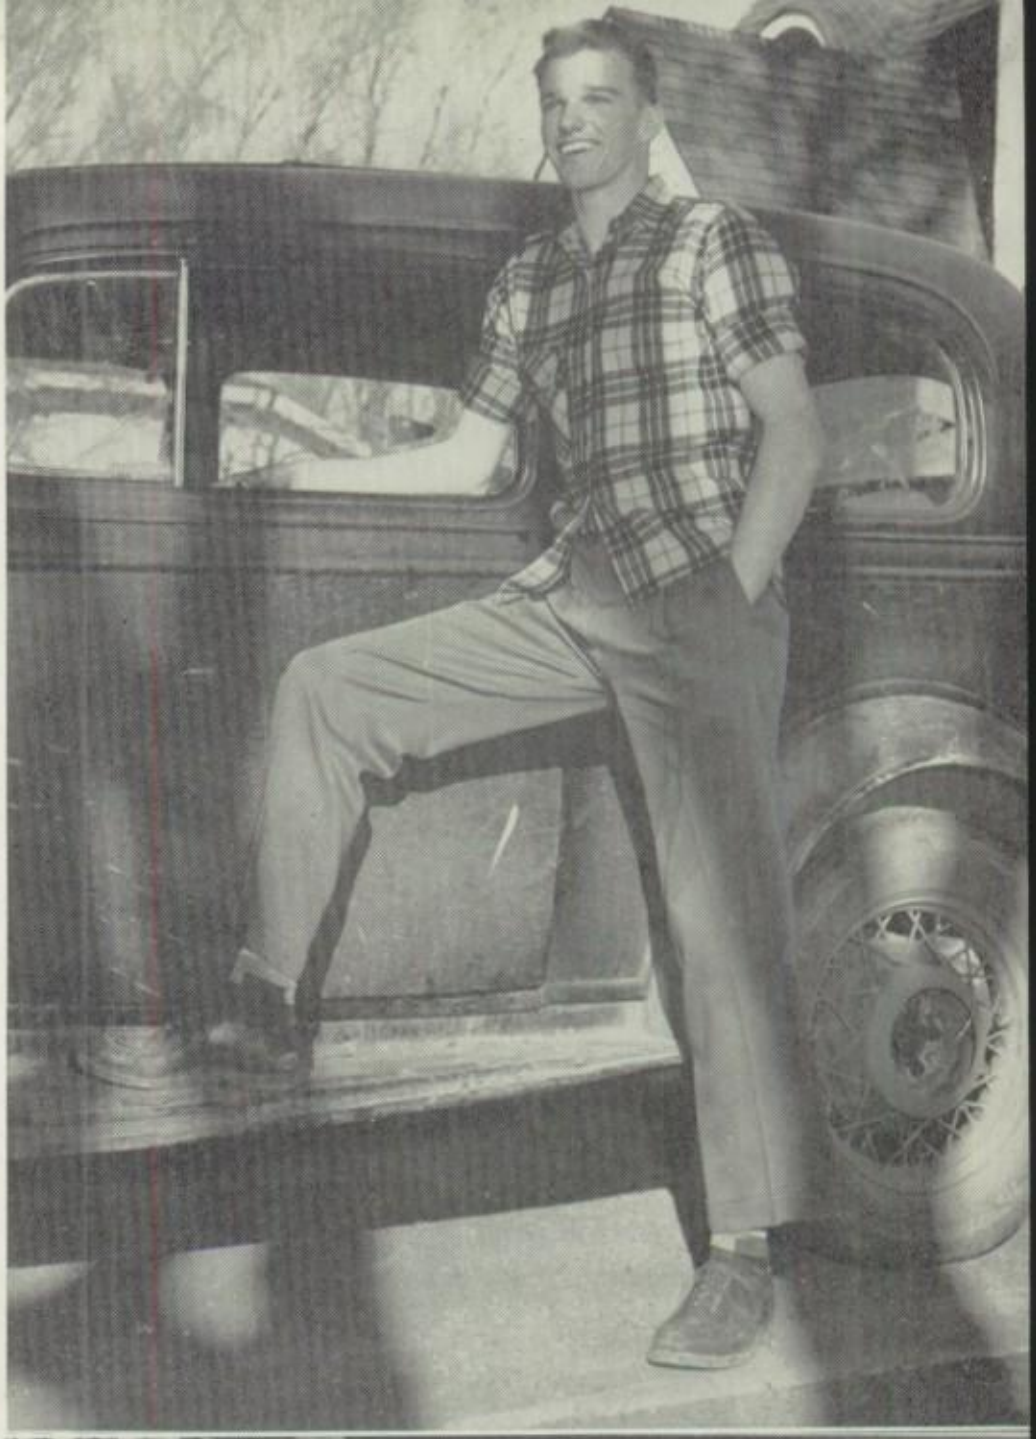
Standing out (and high—6'4") in the leadership of his class, is BILL FRANKLIN, president of the Senior Class. Bill used his height to the advantage of AHS by being on the first-string Sandie basketeers. His activities include the Honor System Steering Committee, Student Congress, National Honor Society and Ken Klub.



Who

BILL McCUE

One of the "Chosen", BILL McCUE was elected by the entire student body to the position of Congressman-at-large and elected by the Congress to the Honor System Steering Committee. Bill is vice-president of the Honor Society and president of Ken Klub. As the assistant editor, much of "Willie's" time is claimed by LA AIROSA.

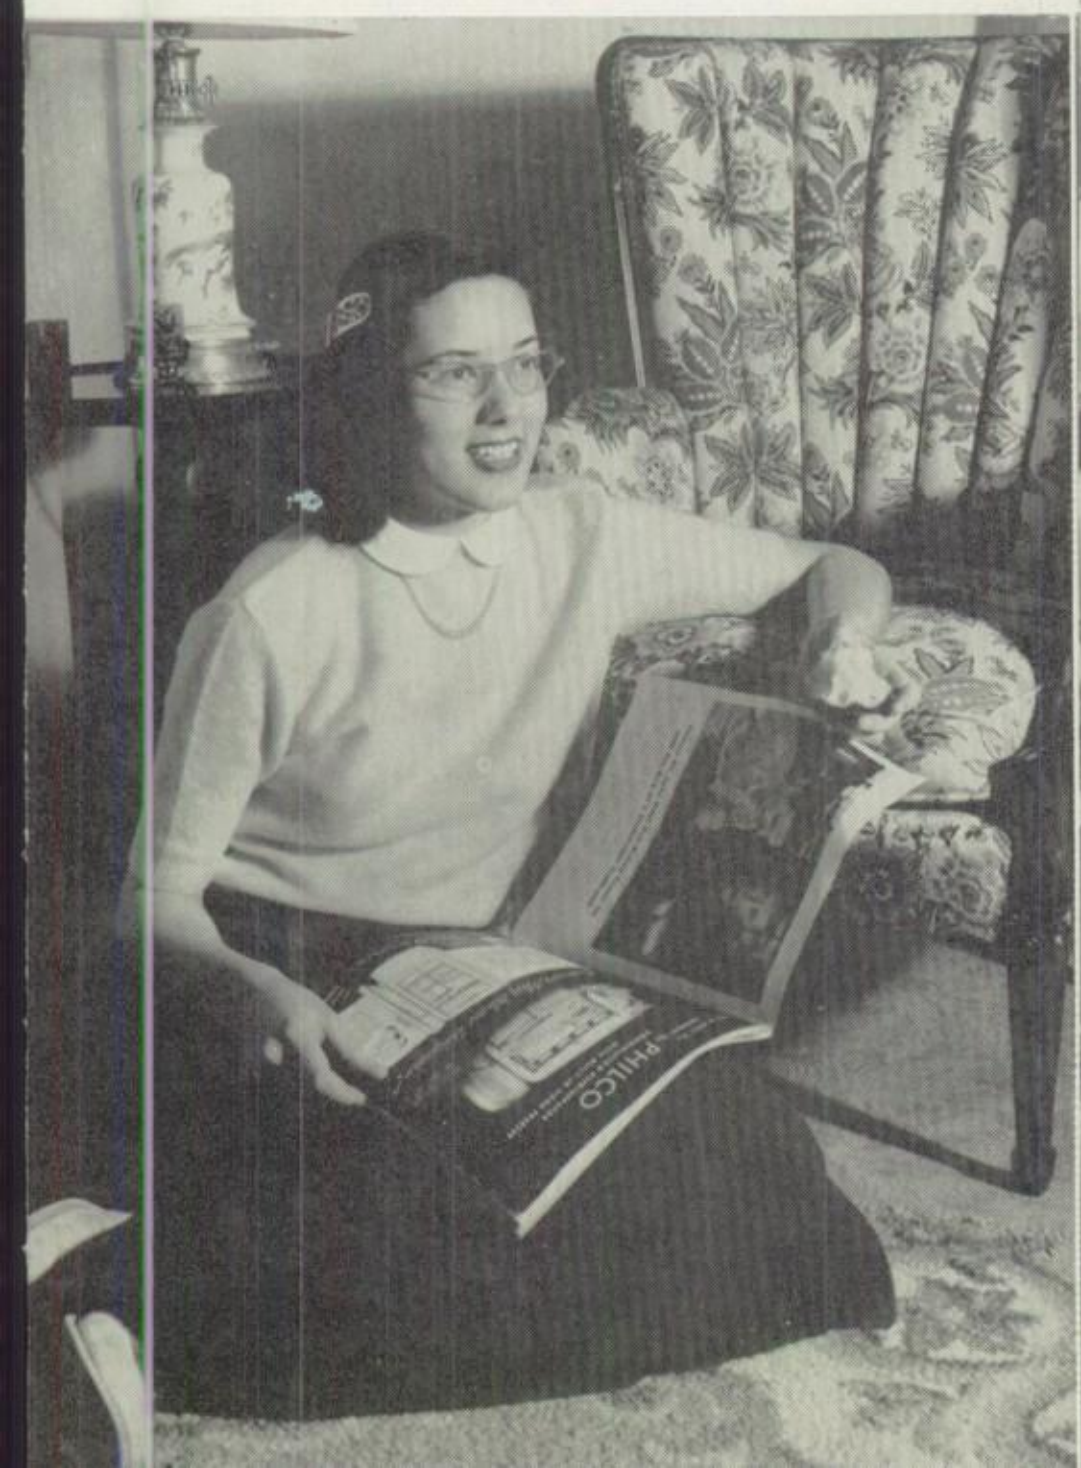


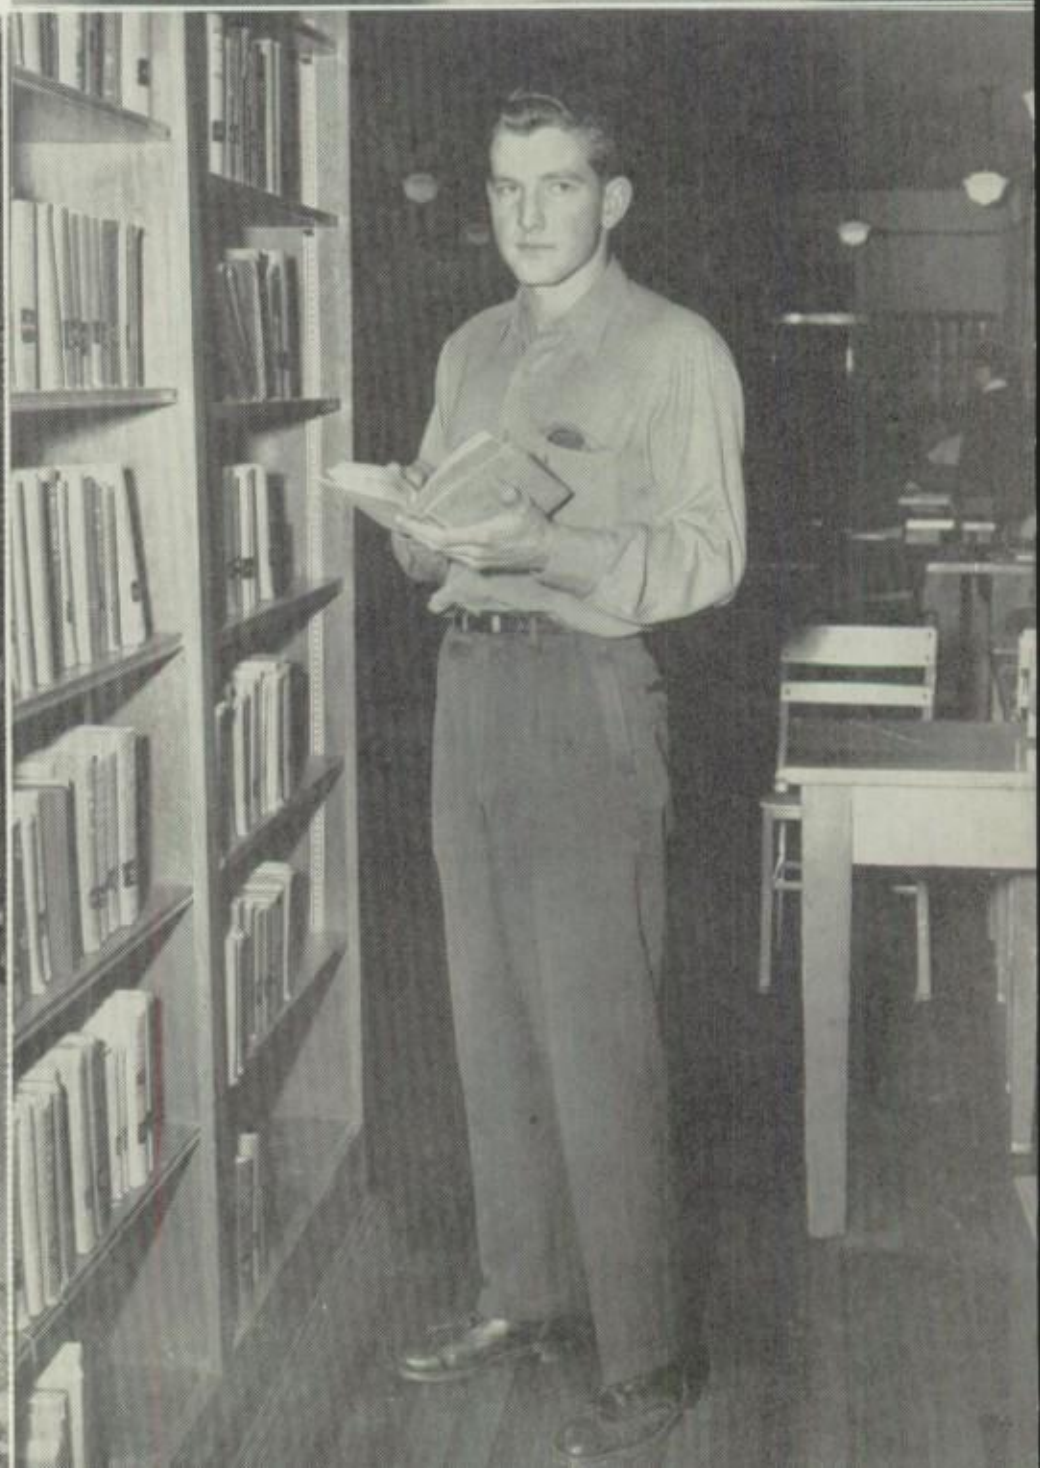
HUBERT RALSON

Maintaining one of the record scholastic averages, HUBERT RALSON also split his hours between athletics and making a grade record. Hub played Sandie football and sprinted on the track team. National Honor Society, Ken Klub, and National Athletic Honor Society are the scholastic organizations to which Hub belongs.

SUE FERGUSON

Forever helping teachers in their grading and making credits for herself, SUE FERGUSON has participated in many activities above and beyond her hard work. Sue graduates with twenty-five credits in varied subjects. Her service and membership were in the National Honor Society, Ken Klub, Quill and Scroll, Hi-Teens, Internos and THE SANDSTORM staff. She went to Girls' State in '48 for AHS.





Best of luck—I have enjoyed being with you!
L.O. Karen

Who

KAREN THATCHER

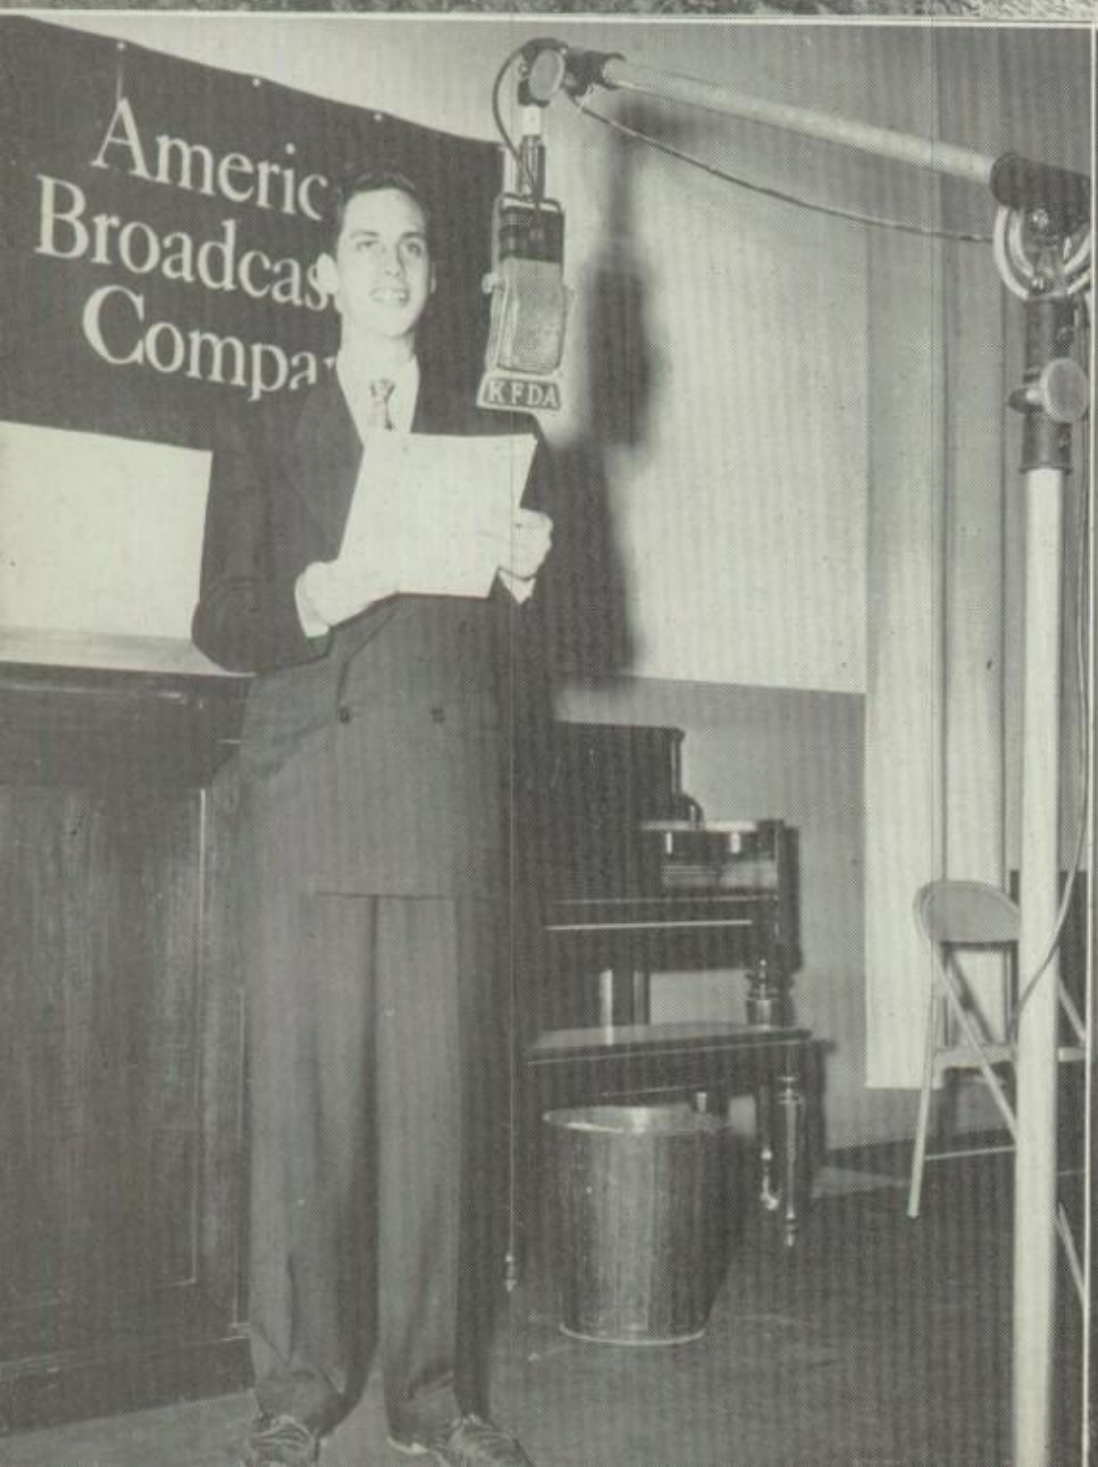
Unrecognized artist, KAREN THATCHER spent many hours in the preparation of the honor posters which appeared in the halls throughout the year. Karen is secretary of the National Honor Society and Honorary Captain in the ROTC.

TOM FOTHERINGHAM

"I speak—" and so he did and does! TOM FOTHERINGHAM, one of AHS's foremost orators and one of her few speech majors, has won many honors in this, his field of endeavor and service. Tom is an active member of the National Honor Society, Thespians, and Ken Klub, and the AHS Debate Team.

JIM HEATH

A big, grinning "Howdy" and an intense interest in every sport (from the journalistic angle) typifies JIM HEATH, ever-writing sports editor of THE SANDSTORM. Jim is a member of the National Honor Society, Ken Klub, Quill and Scroll, and the Student Congress.



Who

TRUETT FIELDS

Ardent supporter of the "South", TRUETT FIELDS yelled forth in spirit as one of the head cheerleaders. Truett was very active in Hi-Y (president), member-at-large of the Student Congress, member of the National Honor Society Ken Klub, Quill and Scroll. Truett's military interests center in the ROTC, in which he is executive officer of the battalion with the rank of Cadet Major.

CHARLES SIEBER

"Big Sieb", as CHARLES SIEBER is known, has taken an active part in athletics, organizations, and scholarship. Charlie starred as Sandie center and has served as vice-president of the Student Congress, member of the National Honor Society, National Athletic Honor Society and Ken Klub.

MARKA OLIVER

A stand out for two reasons (her service and her red hair), MARKA OLIVER gave generously of her time to the Student Congress. She was one of the two delegates from the AHS council to attend the southern convention of student councils at Mobile, Alabama. As secretary of the Congress, she kept records and handled much of the business and activities of the organization. Marka is also a member of the Ken Klub and the National Honor Society, as well as being elected DAR Girl by the faculty and Senior Class.

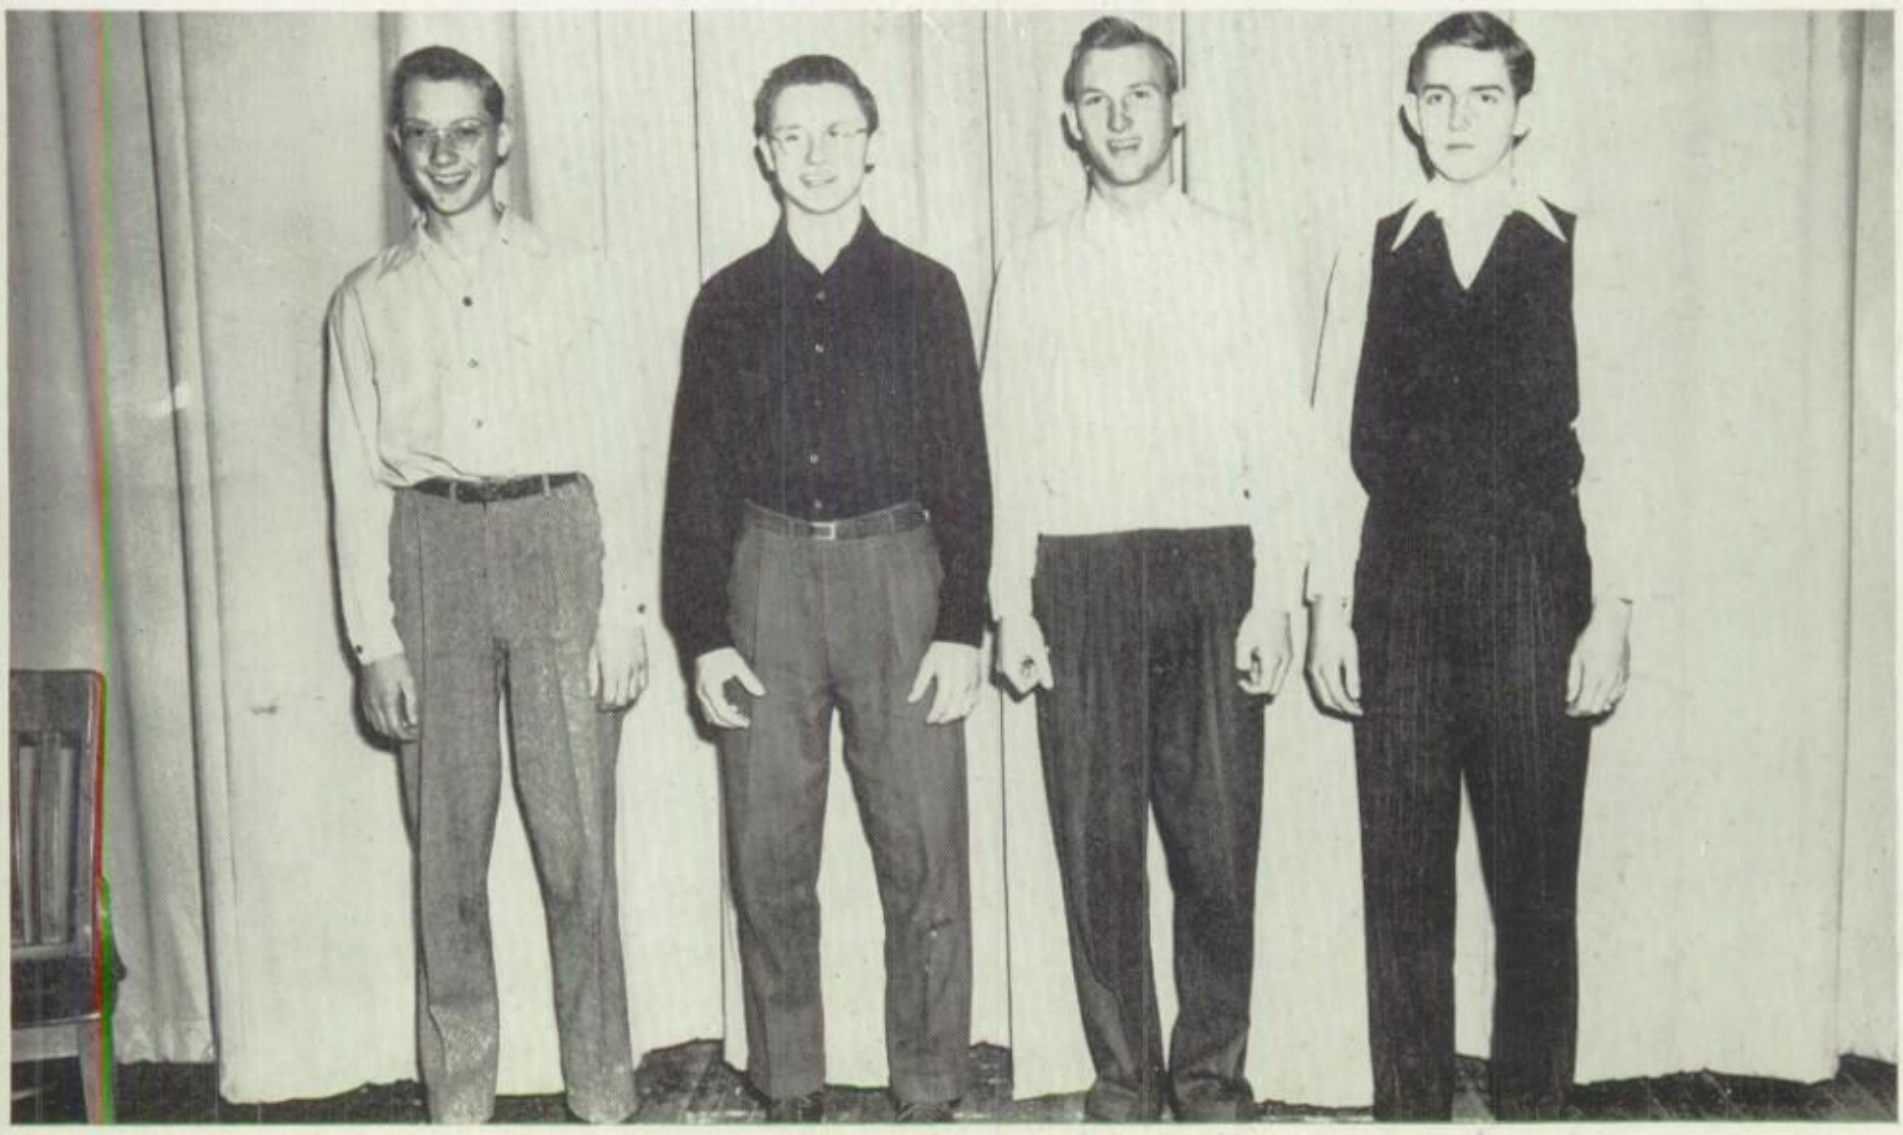
Debate

Working away with such terms as 'burdens of prospective, presumption, rejoiner, affirmative, negative, and Philo-Forum' are those aspiring to make the debate team: Dolores Howell, Grant Gross, Tom Fotheringham, Billy Gibson, Dorothy Butterfield, Winston Adkins, Bettye Coffee, Suzella Bursey, and Carole Barnes.

Making their brains do a little overwork as they prepare for a workout in extemporaneous speaking are Barbara Farley, Florence Stark, Don Hayworth, and Craig Ratliff. These studious Sandies show us how far a little preparation can help us go.

Surviving stiff competition, Richard Thompson, John Isaacs, Jimmy Anthony, and Walter Wolfram were chosen to present their declamations before the sophomore assembly. After a great deal of debate the staff of judges made up of faculty members decided that Richard Thompson and Walter Wolfram should represent us in the state contests.



Plays

Students of Mr. Flathers' radio interpretation class enjoyed studying and dramatizing radio plays and learning the in's and out's of producing sound effects.

The hilarious comedy, THE PERFECT GENTLEMAN, was ably enacted by Jerry Josey, Tom Fotheringham, Diane Kent, Jimmy Phipps, and Marschula Schlotz.

STAGE MAKE UP

Learning the art of make up is one of the favorite units studied by dramatics classes. Shown above are some of the budding dramatists of AHS as they transform their natural faces into those befitting old age and various other character parts.

GIRL DECLAIMERS

Armed with gestures, time limits, and phrases these four declaimers are aiming toward the state finals. Cherry Blair, Mike Flynn, and Barbara Gaither listen attentively as Janice Fenno orates.

Activities

Classroom work in dramatics includes learning the art of make-up as well as that of acting, and the students enjoy seeing themselves become an aged old hag, a laughing negro, or a rosy-cheeked child.

A true spirit of Thanksgiving was projected into the thoughts of the student body by the pageant presented by Mrs. Whitworth's fifth period dramatics class.

Contest Play

The Speech Department, under the able direction of Mrs. N. N. Whitworth, Miss Jesse Mercer, and J. H. Flathers has created many opportunities and gained many honors for students of AHS. Pictured is Mrs. Whitworth as she directs the work on the Contest Play.

This year the Dramatics Department chose for the Contest Play, "Afterwards." The play is a serious story of two youths who had to die to find themselves. The two casts were chosen by Mrs. Whitworth. Those students working on the play are Frances Tidwell, Dorothy Saddoris, Truett Fields, Jimmy Phipps, Roy Lowe, Jim Restine, and Don Fletcher.

Music Grounds

Dear Bob,

Well, this year really has been swell, mostly because I have known you. I have had so much fun being with you. Of course at times you like to pester me, but I don't mind and you really are swell. Don't ever forget "Thy Nat" and "I'll never tell!". (He ought to get a patent on that.) Between your "playing hooky" and your hay-fever you really had a time. It's just about over for you, (A.H.S. I mean,) but I hope not your friendship. This wouldn't be complete without wishing you all the luck and happiness in the world but I want to wish you just a little bit more than anyone else. (This looks like a book so that's enough).

Love,

The AHS Orchestra has given the students of our high school and the people of Amarillo much good music and varied programs this year. They played for the Coronation Ceremony and their players formed the nucleus of the Youth Symphony Orchestra, which gave three concerts. Music Clinics, contests, and their annual Spring Concert make their activities a full-time program. Their annual Orchestra Banquet is one of the highlights of the year.

Herbert McGregor, Drum Major of the Sandie Band, was elected to this position because of his ability in directing the band and commanding maneuvers. Sparkling Frances Tidwell was made Band Queen by the popular vote of the members. These able leaders have added much to the success of the Sandie Band.

The Golden Sandie Band

The Golden Sandie Band has given many performances in varied fields of entertainment this year. Their spirited playing and colorful stunts made the halves of the football games more enjoyable. Other appearances on good-will trips and in parades have made the people of Amarillo and the Panhandle Region, as well as the students of AHS, aware of their presence. Band activities include their spring concert and annual banquet, at which special awards and honors are given to outstanding band members.

"The Mikado"

"The Mikado", performed by the combined choirs, brought volcanoes and cherry blossoms into the life of AHS.
Under the superb direction of Miss Tennie Thompson and Mrs. Julia Dean Evans, three separate casts performed before six attentive audiences. Their excellent talents displayed all the work they had done in preparing the operatta.

Mrs. Crossett directing the lighting, Mr. Flathers the dramatic coach, and Mr. Jones the art director had the difficult tasks in making "The Mikado" a smooth running production.

La Airos

Although it was only September and the 1949 LA AIROSA was but a dream to most Sandies, the LA AIROSA Staff was busy making lay-outs and plans.

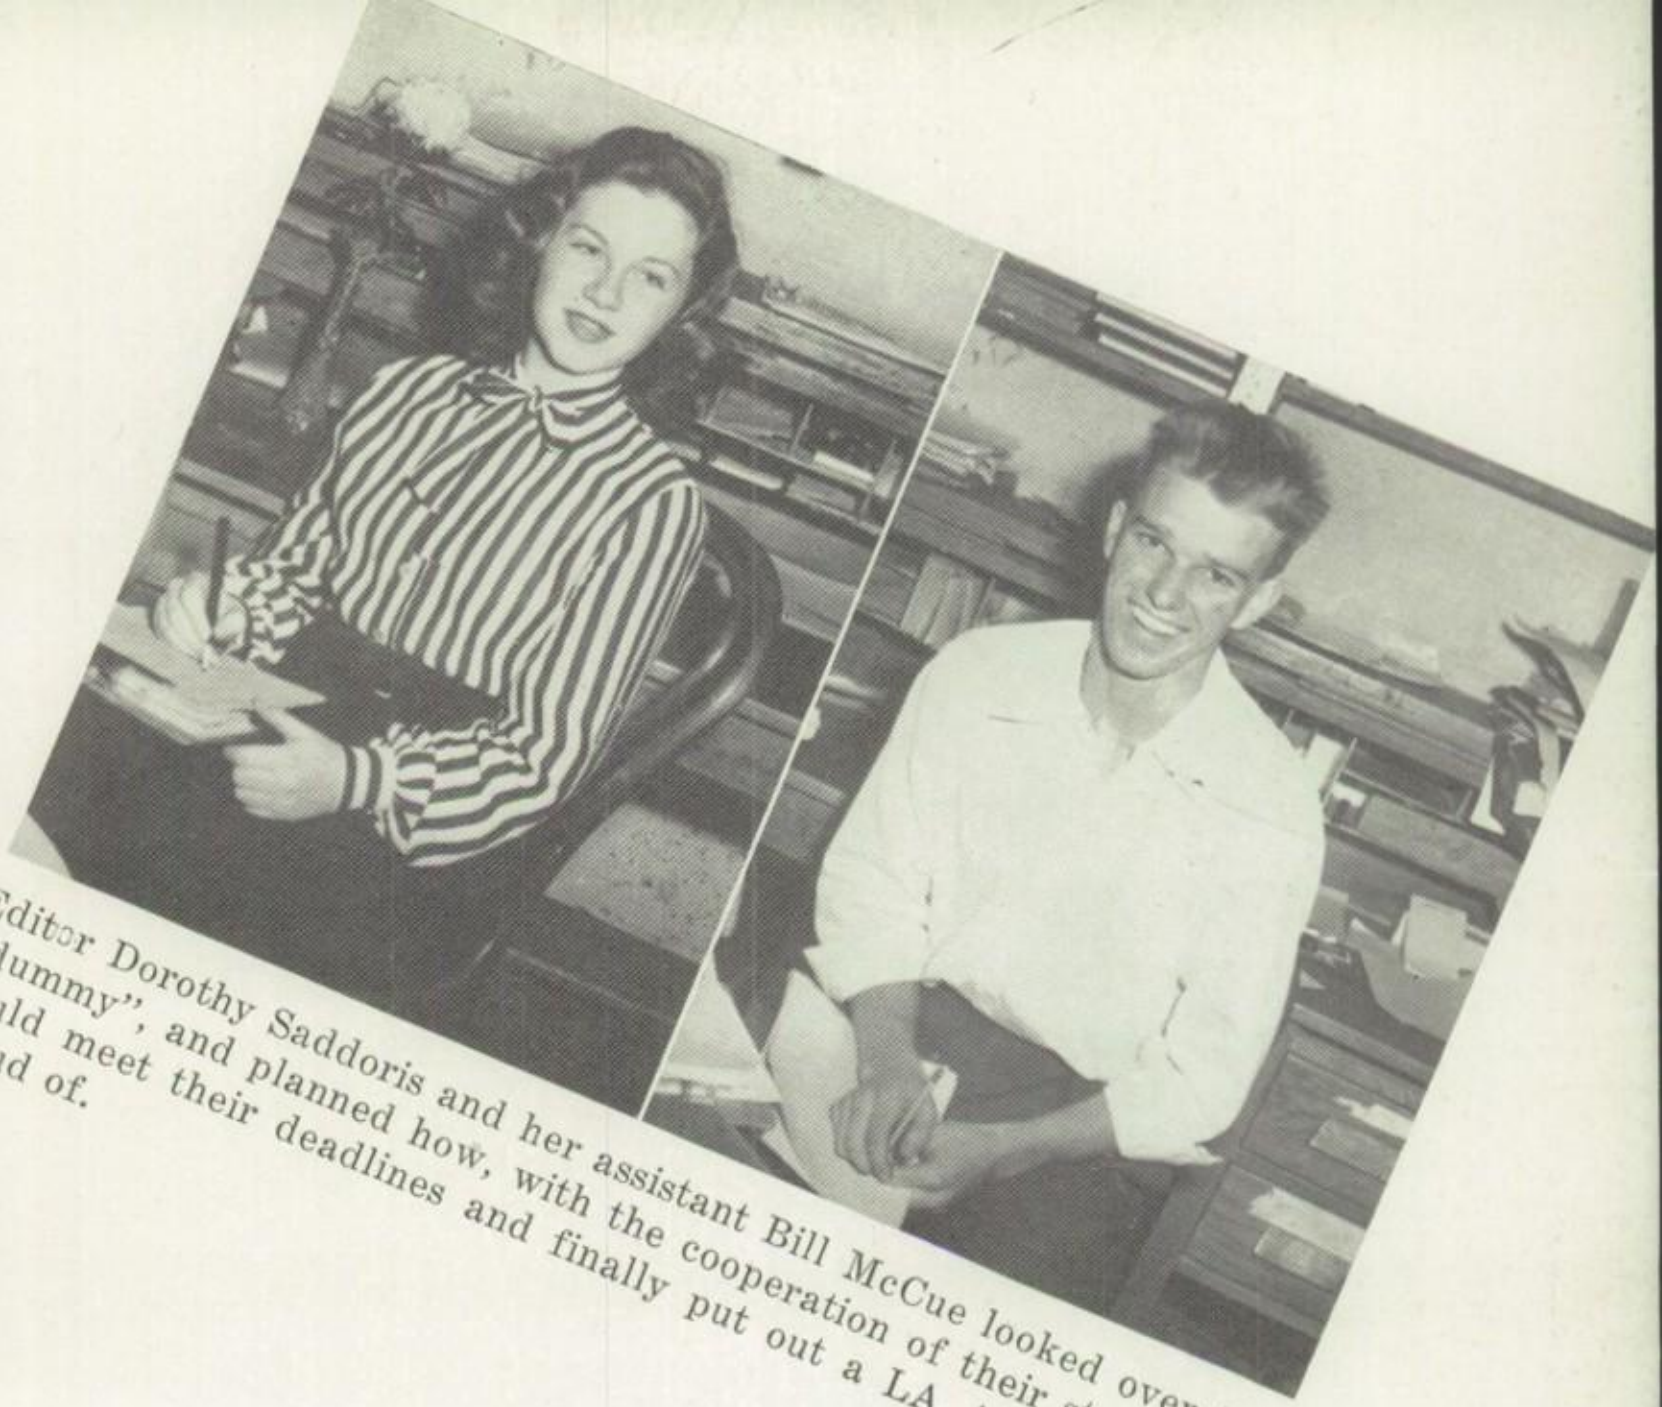
Margie and Myda Bivins contemplated with Jerry Frisbie over the use of some new pictures just brought in by the photographer.

While Pat Wills typed, Ida Anderson and Marlene Casey proof-read the school directory which the L.A. staff edits yearly.

Sponsoring the Popularity Ball is one of the favorite staff projects of the year. Mary Louise Zelsman and Brit Jenkins eagerly cut crepe paper in anticipation of the big event while Frances Tidwell visioned the elaborate decorations.

Finding new picture layouts is always a challenging problem for staff members. Typical of the staff are Carol Robberson and Frances Stone as they carefully cropped and arranged their pictures.

Staff



Editor Dorothy Saddoris and her assistant Bill McCue looked over the "dummy", and planned how, with the cooperation of their staff, they could meet their deadlines and finally put out a LA AIROSA to be proud of.

ivian Taylor and Ann Galloway stopped eir work to look over some pictures just wn from the dark room.

Beverly Byrd and Joan Todd admired the latest cartoon of Dave Boss.

The members of the sports staff, Don Elliott, Gene Gately and Don Ratcliff, stop work long enough to give a big smile for the photographer. With Bill McCue as the Sports' Editor, they worked many hours over individual pictures and action shots.

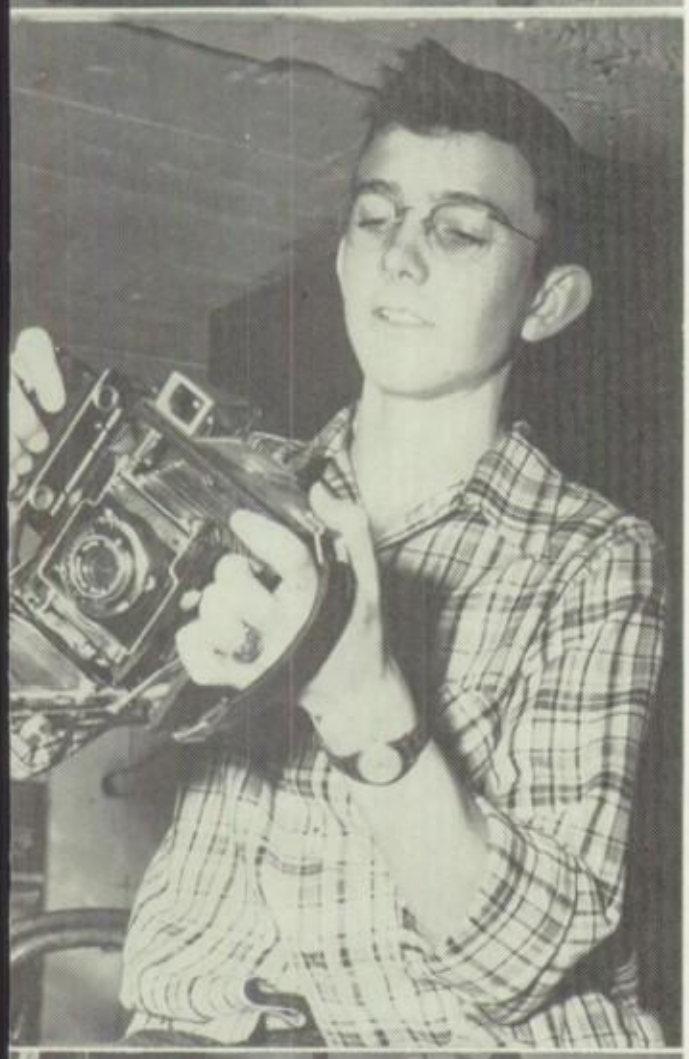
Would you want one of these girls for your valentine? They stayed so long in the gym decorating for the Popularity Ball that they just had to get some sleep. The members of both staffs are proud of their girls who can work so hard, sleep so peacefully, and be so cheerful at a dance all in two days and one night.

The Sandstorm and La Airosa sent delegates to the Texas High School Press Association which met in Denton December 3, 4, 5. They set off from the school in high spirits.

Photographers

Charles Steed, headman among the photographers, was in charge of all picture making.

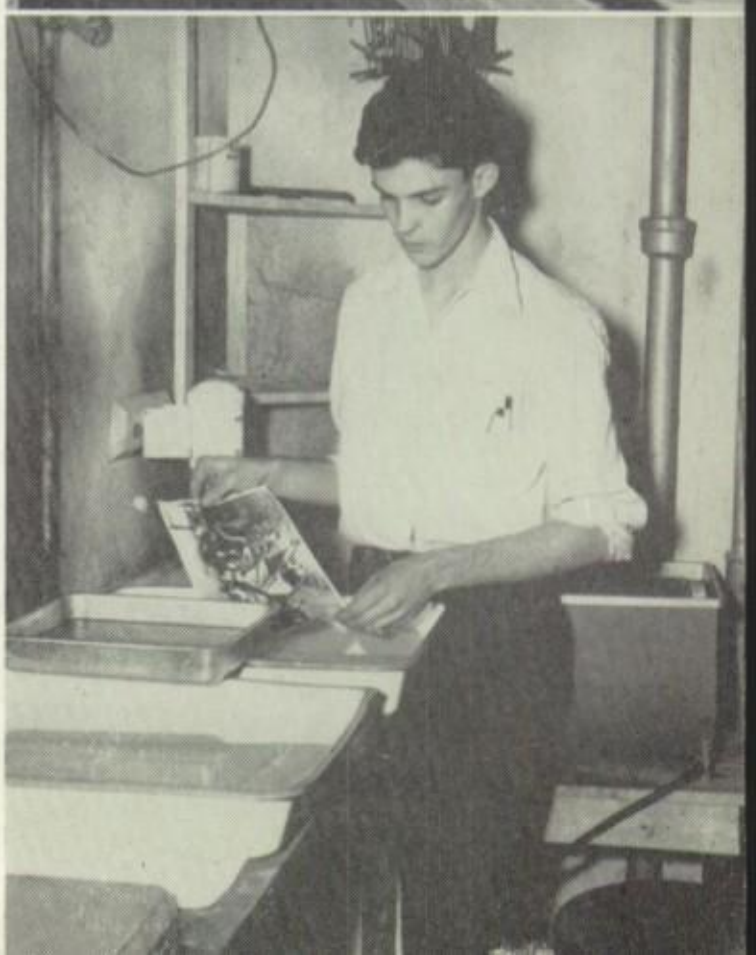
David Knight was responsible for many of the pictures appearing in THE SANDSTORM and LA AIROSA.



Little Bobby Osburn was always on hand to snap the shutter for insistent staff members.

Kenneth Casey worked many hours in the dark room developing and printing pictures.

Gerald Bowling could always be depended on to get out prints in a hurry.



Jack Gooding took his share of the load and worked in the dark room many hours each week.

Sandstorm

Bob Lacy was Editor-in-chief the first semester and Advising Editor the second.

Carolyn Kelly, Assistant Editor first semester, became the Editor-in-chief the second.

Working on the Sandstorm Staff calls for plenty of time, energy and patience, as any member will verify. However, the long hours spent after school and on Saturdays are repaid in full with fun and the satisfaction of a job well-done.

THE SANDSTORM, a bi-weekly publication, is eagerly awaited by every member of Sandie-land.

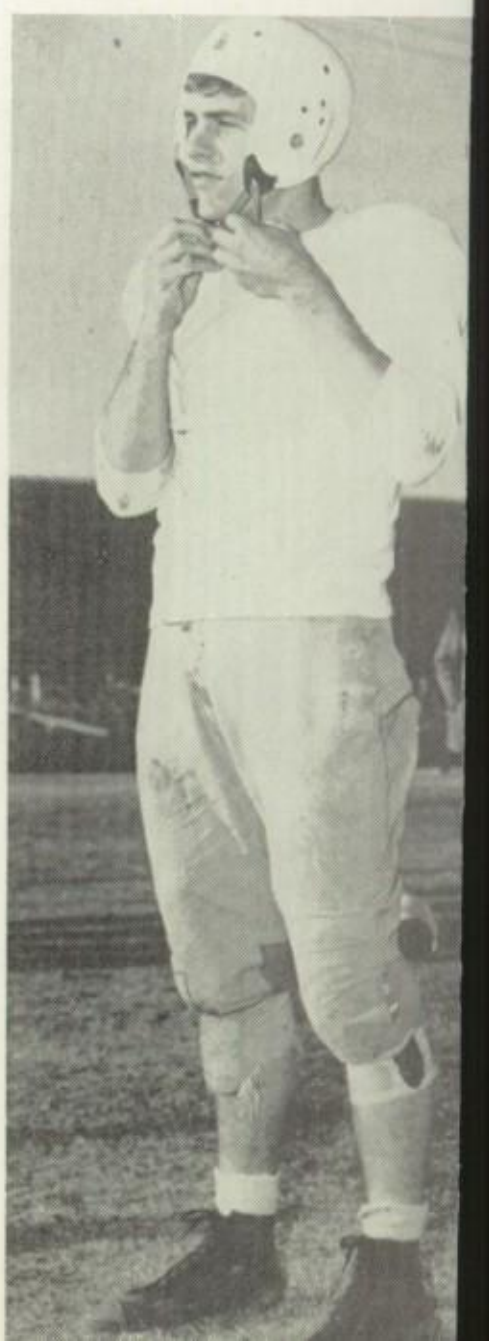
Co-Captain Bobby Hudgins showed himself to be the "biggest" little man in the state and gained All-State and All-District honors at guard.

Co-Captain Bobby Moore, though held back by knee injuries, fought his way to All-State second string and All-District honors.

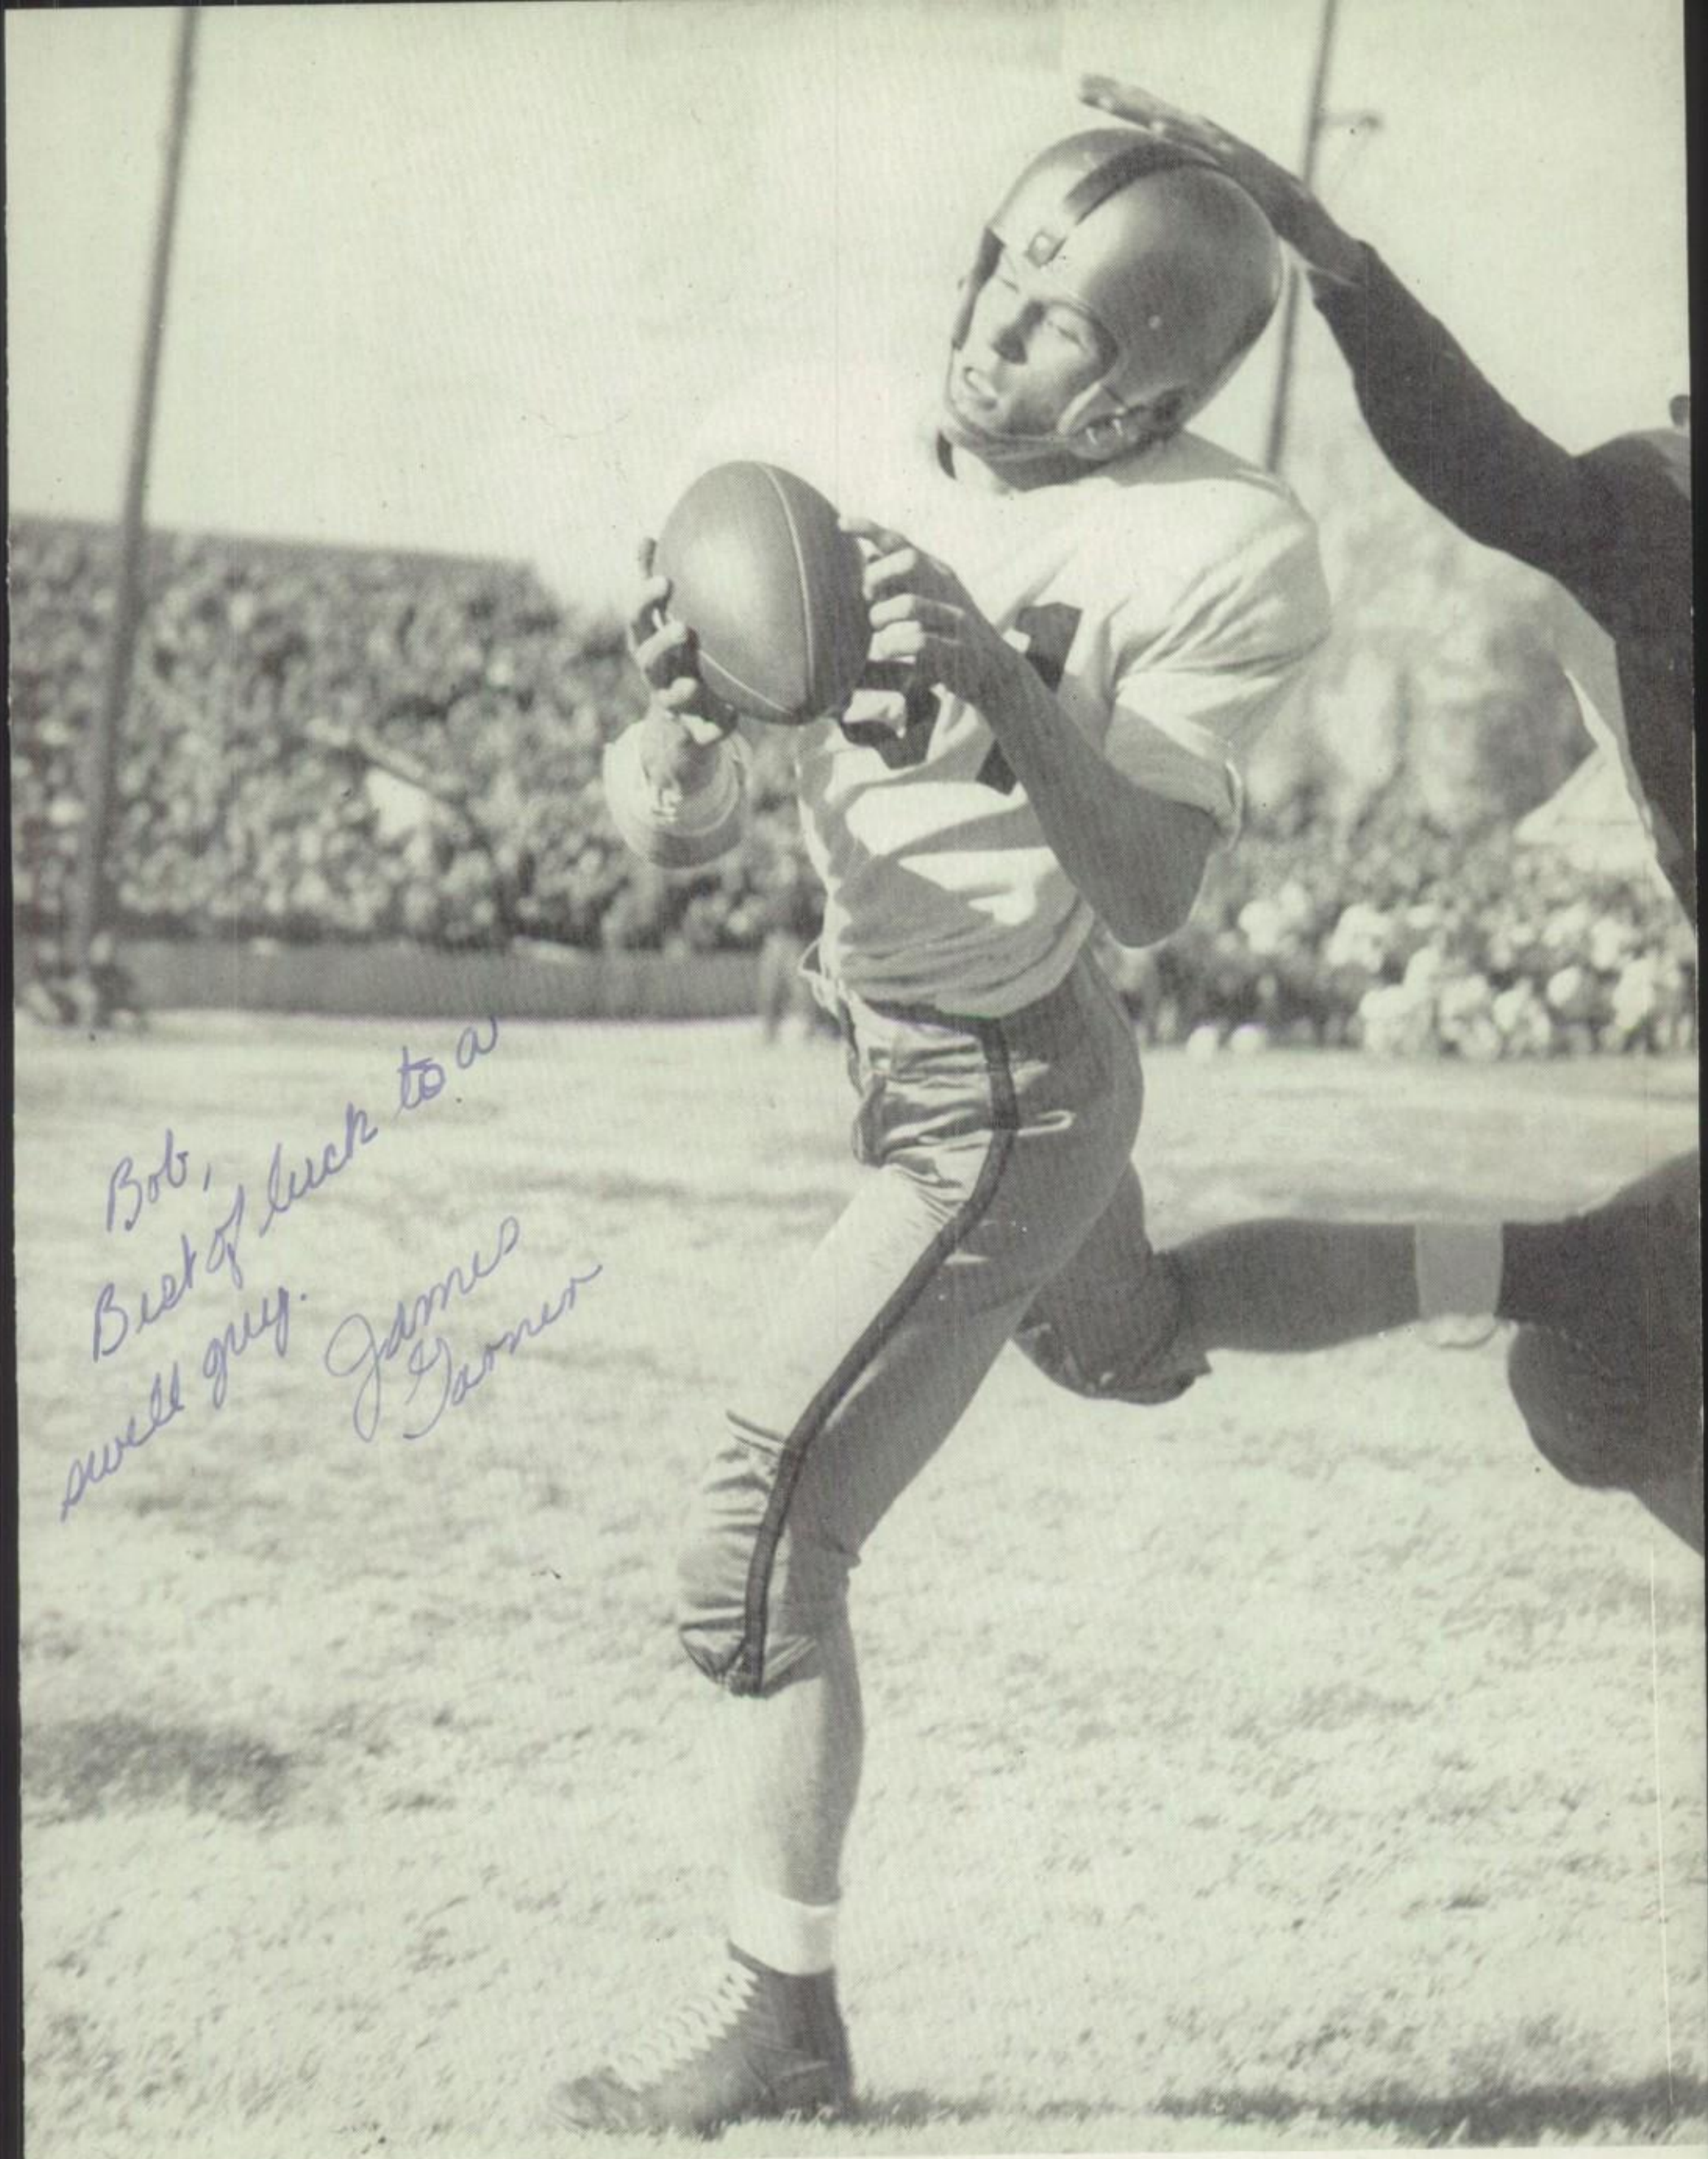
The other half of the McNeil to Garner combination ran, kicked, and passed his way to All-American honorable mention, All-Southern honorable mention, All-State honorable mention, and All-District honors.

Big Charles Sieber was greatest All-State honora mention center in the hist of Sandieland. He named the top center District 1-AA.



Amarillo 0, Waco 21

Playing without the magnificient Garner, pass receiver, safety man, signal caller and defensive stalwart, and Fullback Claude Fox on the bench with injuries, the Sandies were conquered by the massive Waco Tigers 21-0. The tremendous Tiger line opened up enough holes in the smaller, but hard fighting Black and Gold forward wall, to let Fullback Dick Parma and his mates tally three touchdowns. The first and third scores came after McNeil had punted short against the strong wind, while the second came on a blocked punt. Waco received most of the breaks. Without Garner, the Sandie offense was badly crippled, noticeably so, and they were unable to control the ball most of the game as they had done in other tilts this season. Standouts for the Sandies were McNeil in the secondary, and Center Charles Sieber, Guard Bobby Hudgins, and Tackle Bobby Moore in the line.



ptain James Garner is the first All-American produced by AHS. Topping his season's glory with All-District, All-State, All-uthern, as well as All-American honors, the blond flash also won the Houston Post Trophy as the outstanding Texas High hool Football Player of 1948. He was acclaimed by his teammates as The Most Valuable Sandie of 1948, to make a whole apter of history for the Golden Sandstorm.

Amarillo 39, Childress 6

The Golden Sandies opened their 1948 football season by smashing the Childress Bobcats 39-6 behind the dynamic running and passing of Tailback Marvin McNeil. The atomic senior with the whip-lash arm, ran for three touchdowns, one on an 80 yard punt return, and passed to End James Garner for another. Reserve Wingback Jerry Reese scored another TD on a 33 yard jaunt, and Sub Tailback Louis Franks hit Reserve End Tom Curtis in the end-zone for the other six-pointer. Guard Bob Hudgins booted three extra points.

ooking behind the scenes, we find head anagers Farrel Schell and David Wyatt eeping the team morale and equipment in p-top condition.

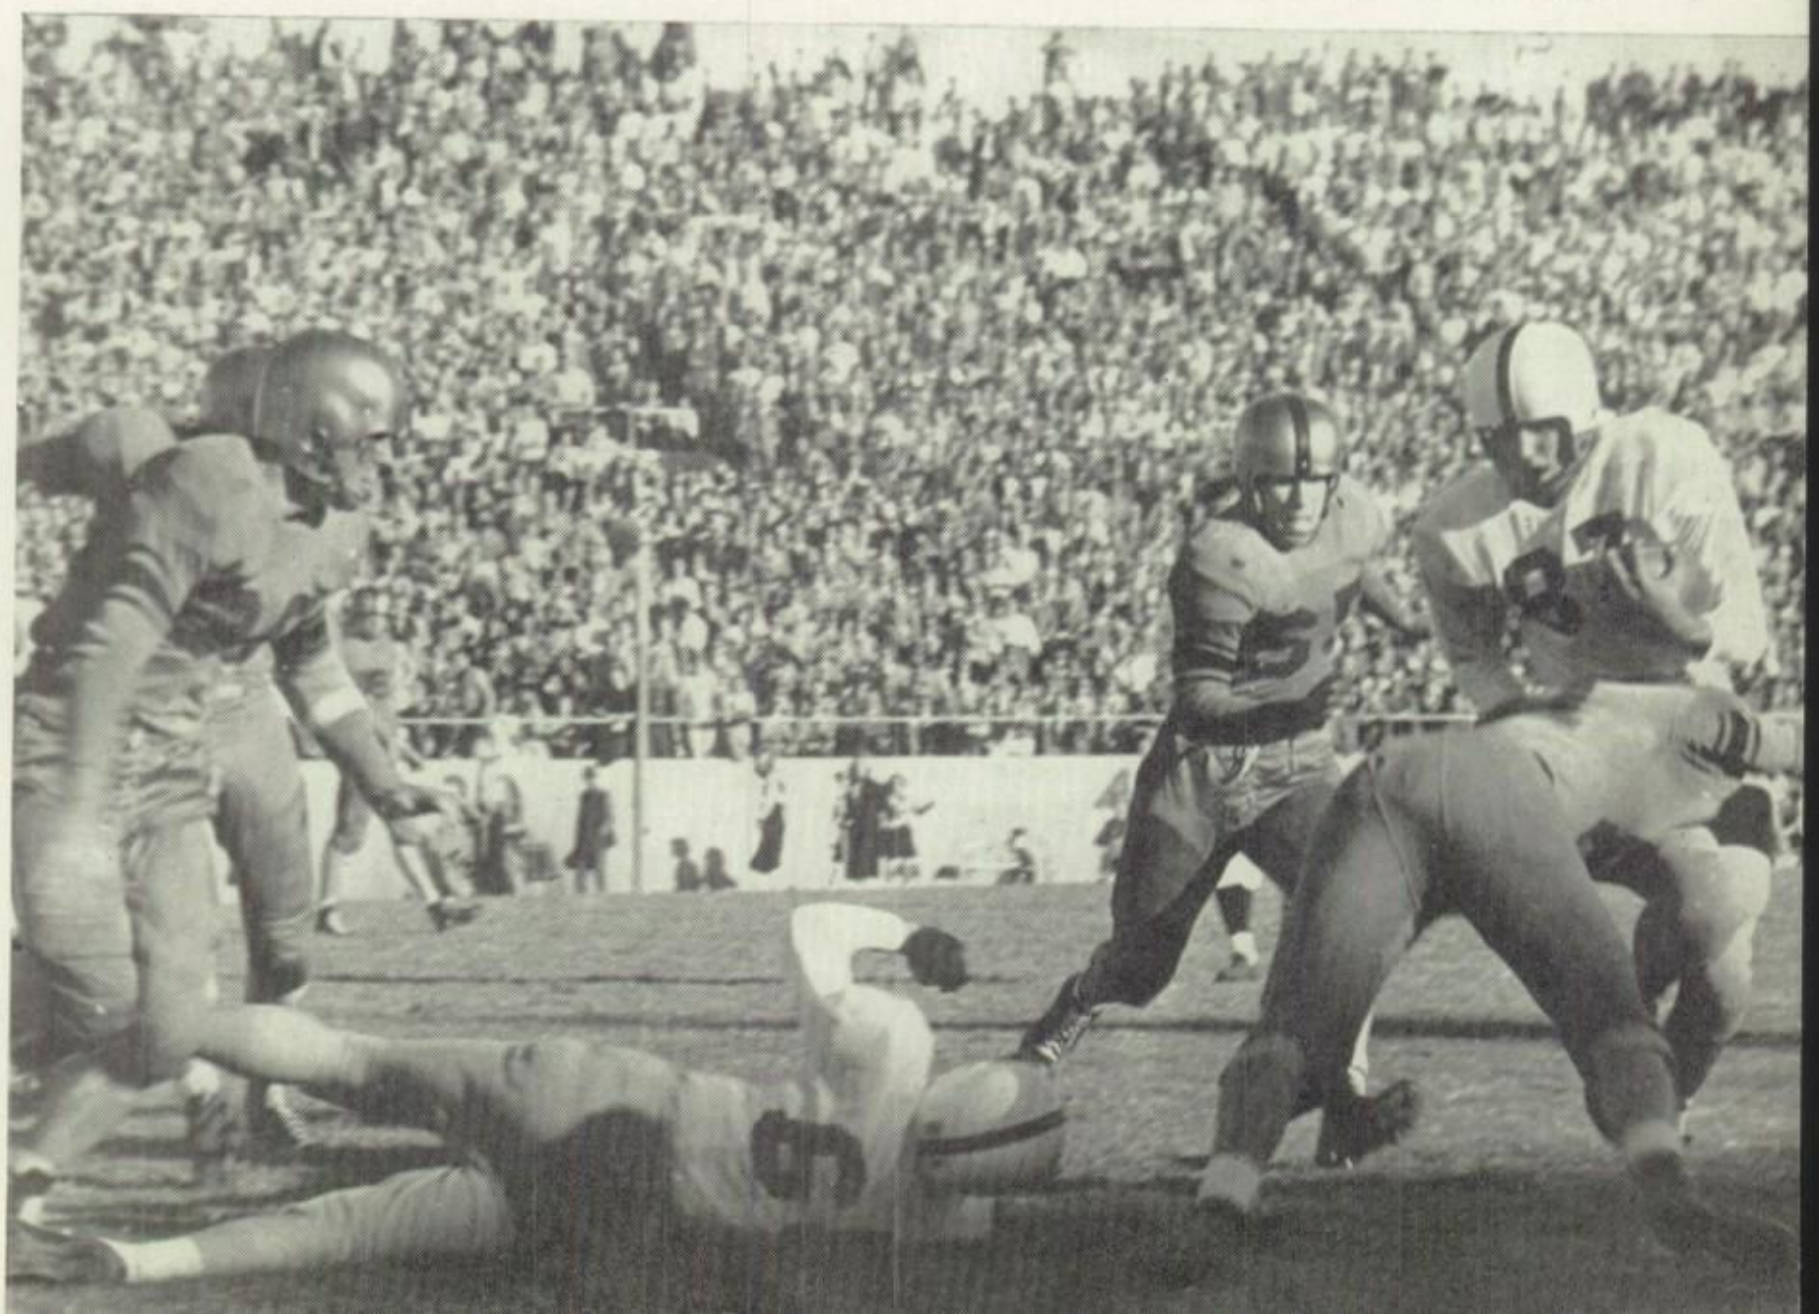
Amarillo 14, Abilene 0

Despite the fact that three scores were called back by damaging 15 yard penalties, the Sandies were impressive in rolling over the Abilene Eagles 14-0. The game was but two minutes old when McNeil pegged a scoring pass to Garner. A few minutes later, Quarterback Noah Davis rammed over from the two on a quarterback sneak. The game was much more lopsided than the score indicated. Hudgins converted twice to make it 14-0.

Amarillo 21, Paschal (Ft. Worth) 6

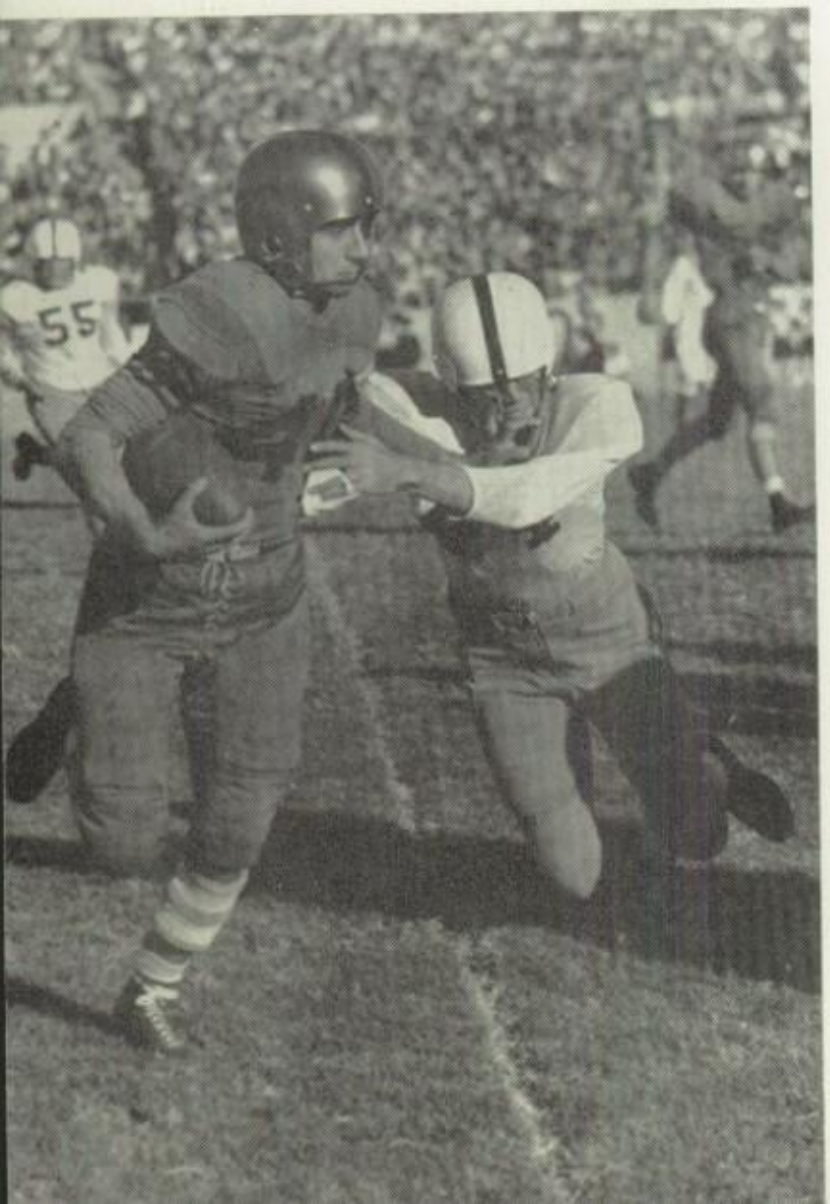
After being held scoreless in the first half, the Sandstorm blew hard in the second to roll over a rugged Paschal Panther eleven 21-6. McNeil accounted for the first TD with a 4 yard scamper around end. Minutes later he fired a 35 yard aerial to Garner for a score and quickly followed it up with another 48 yarder to the glue-fingered wingman. The automatic Hudgins spiked all three extra points. The Panthers marked up their lone tally on a 99 yard run with an intercepted pass against the Black and Gold Reserves. Tackle Bobby Moore was outstanding on defense.

As Charlie Sieber stops a Lubbock back, three other Sandie defenders come in to make it final.



With Bobby Hudgins still leading interference, Jack Newby pulls away from the last Bulldog.

Marvin McNeil eludes a Westerner as Charlie Sieber roars in from the rear to help him out.



Amarillo 33, Odessa 6

In the big non-conference tilt of the campaign, the Golden Team got revenge for three previous defeats at the hands of the Bronchos by soundly rocking them 33-6. McNeil and Garner put on a terrific aerial show for the capacity crowd, accounting for two scores and setting up two others. One of the passes was good for 60 yards. Fullback Claude Fox rammed one yard for one tally, and All-around handy man, Jack Newby, spun 17 yards for another, while Wingback Charlie Priolo marked up the first score with a slashing 35 yard blaze on a reverse. Hudgins again had a perfect day with his conversions.

Amarillo 28, Woodrow Wilson (Dallas) 12

Shelving their explosive aerial game, the Sandies stuck to the ground to roll over a big Woodrow Wilson team 28-13. Newby, subbing for the injured Fox at fullback, romped 34 yards for the first marker, and repeated for the third with a one yard buck. Priolo boomed around end 45 yards for the second tally, and McNeil punched over the last from the 3. The Wildcats struck after the half against the Sandie reserves for two quick scores, but McNeil's TD put the game on ice. Hudgins again had a perfect day with his conversions.

Amarillo 21, Brownfield 0

The Sandstorm opened their conference schedule with a not-too-impressive 21-0 win over the Brownfield Cubs. Hampered greatly with four regulars on the sidelines, the Black and Gold eleven took a first stanza lead when McNeil ripped for one yard and a score. They upped it to 14-0 shortly before the half when Priolo snatched an enemy pass and waltzed 65 yards to tally. McNeil added the final counter by blasting nine yards in the last period. Hudgins booted three for three extra points. Center Charlie Sieber played a terrific game on defense, making numerous key tackles.

Amarillo 14, Lubbock 6

In the hardest game of the season to date, the Lynchmen out-lasted the Lubbock Westerners 14-6 in a smashing ball game. A 69 yard punt off the toe of McNeil stopped on the one and set up the Sandies' clinching TD. The AHS pigskinners took the lead early by rolling 60 yards to paydirt. Fox bucked over from the 1, after McNeil galloped 50 yards to the 10. Hudgins converted. Lubbock fought back to score and make it 7-6, the way it stayed until McNeil's great boot. After the Westerners booted out to the 27, the Sandstorm punched it over. Priolo skirted over from the 9. Hudgins again goaled. Hudgins was the defensive star, constantly harrassing the opponents with his great play.

avis Wallace and Nat McKissick, Sandie
anagers, keep the team supplied with the
st of equipment.

Amarillo 26, Borger 6

Striking via the airlanes once again, the Black and Gold ripped the Borger Bulldogs 26-6. The game was but two minutes old, when McNeil flipped a 5 yard jump pass to Garner for score number one. On the last play of the half, "Mac" again heaved to Garner who eluded the Bulldog secondary to go 83 yards to score. After the half, Fox boomed 29 yards for another, and Garner added the fourth by shaking off two tacklers, after taking a McNeil pass and going 62 yards to score. Hudgins booted two extra joys.

Amarillo 32, Pampa 7

Playing their best game since the Odessa tilt, the Golden Helmeted team plowed over Pampa 32-7. A five yard pass from McNeil to Garner accounted for a score the initial time the Lynchmen had the ball, Pampa swept back to tie it up 7-7, but Priolo darted 45 yards to break the deadlock. Seconds later, McNeil weaved his way through the whole team 63 yards to paydirt. A few plays later, he pitched another TD bullseye to Garner, and just before halftime pegged 60 yards to Newby. Hudgins added two extra points, and the scoring was over for the game, all in the first half.

Sandie subs eagerly await a chance to pit their ability against Pampa.

Charlie Priolo knocks a hole in the Odessa backfield leaving Marvin McNeil a clear field.

The Victory Bell Returns

Captain James Garner and Co-captains Bobby Hudgins and Bobby Moore ring out sweet victory.

Amarillo 26, Plainview 0

The Sandies ended their regular season and also wo clearcut possession of District by dropping the Plain view Bulldogs 26-0. McNeil pitched to Garner jus before the half for the first score, and the Sandstorm pushed over three more in the final stanza while Hudgins kicked two extra margins.

Amarillo 12, Odessa 6

In one of the best games in Sandie history the Sand storm beat the Odessa Broncos 12-6. After a score less first half, James Garner broke the deadlock b returning a Bronc punt 66 yards to go over untouch ed. Less than two minutes later Garner intercepted flat pass and carried 55 yards for another TD. The entire Sandie forward turned in a magnificent game in stopping Odessa cold. Sub Herbert Ralson showed great promise in filling in for Claude Fox, who wa lost for the season the day before.

Amarillo 20, Denison 8

Striking for three quick first quarter touchdowns, the Golden Team coasted to a 20-8 victory over the scrappy Denison Yellow Jackets. The game was but two minutes old, when passing wizzard Marvin McNeil pegged a 52 yard scoring aerial to End James Garner. It was their thirteenth scoring completion of the season. Minutes later, Jack Newby raced back a quick kick 80 yards, and McNeil bucked over from the one for the other. Hudgins added two extra points. Unfortunately, only about a minute after he scored, the great Garner suffered a severe knee injury.

The Sandie basketball team this year has shown a relentless spirit that has never been excelled in the annals of Sandie basketball. Although they were unfortunate in not winning the District Championship, everyone who has seen them play will agree that they were up against very stiff opposition from the start of the season.The District Championship this year was an unusual three-way tie, in which all three teams were of almost equal ability; and it was more or less a toss-up as to who would win the Championship. A toss was made, and it was decided that Amarillo would play Pampa. In this breath-taking game Amarillo was beaten by a narrow margin, giving Pampa the right to play Lubbock for the District championship. The dauntless Sandie spirit was ever present in the team this year, and the spirit of these boys will serve as a goal, which all future Sandie teams should strive to obtain.

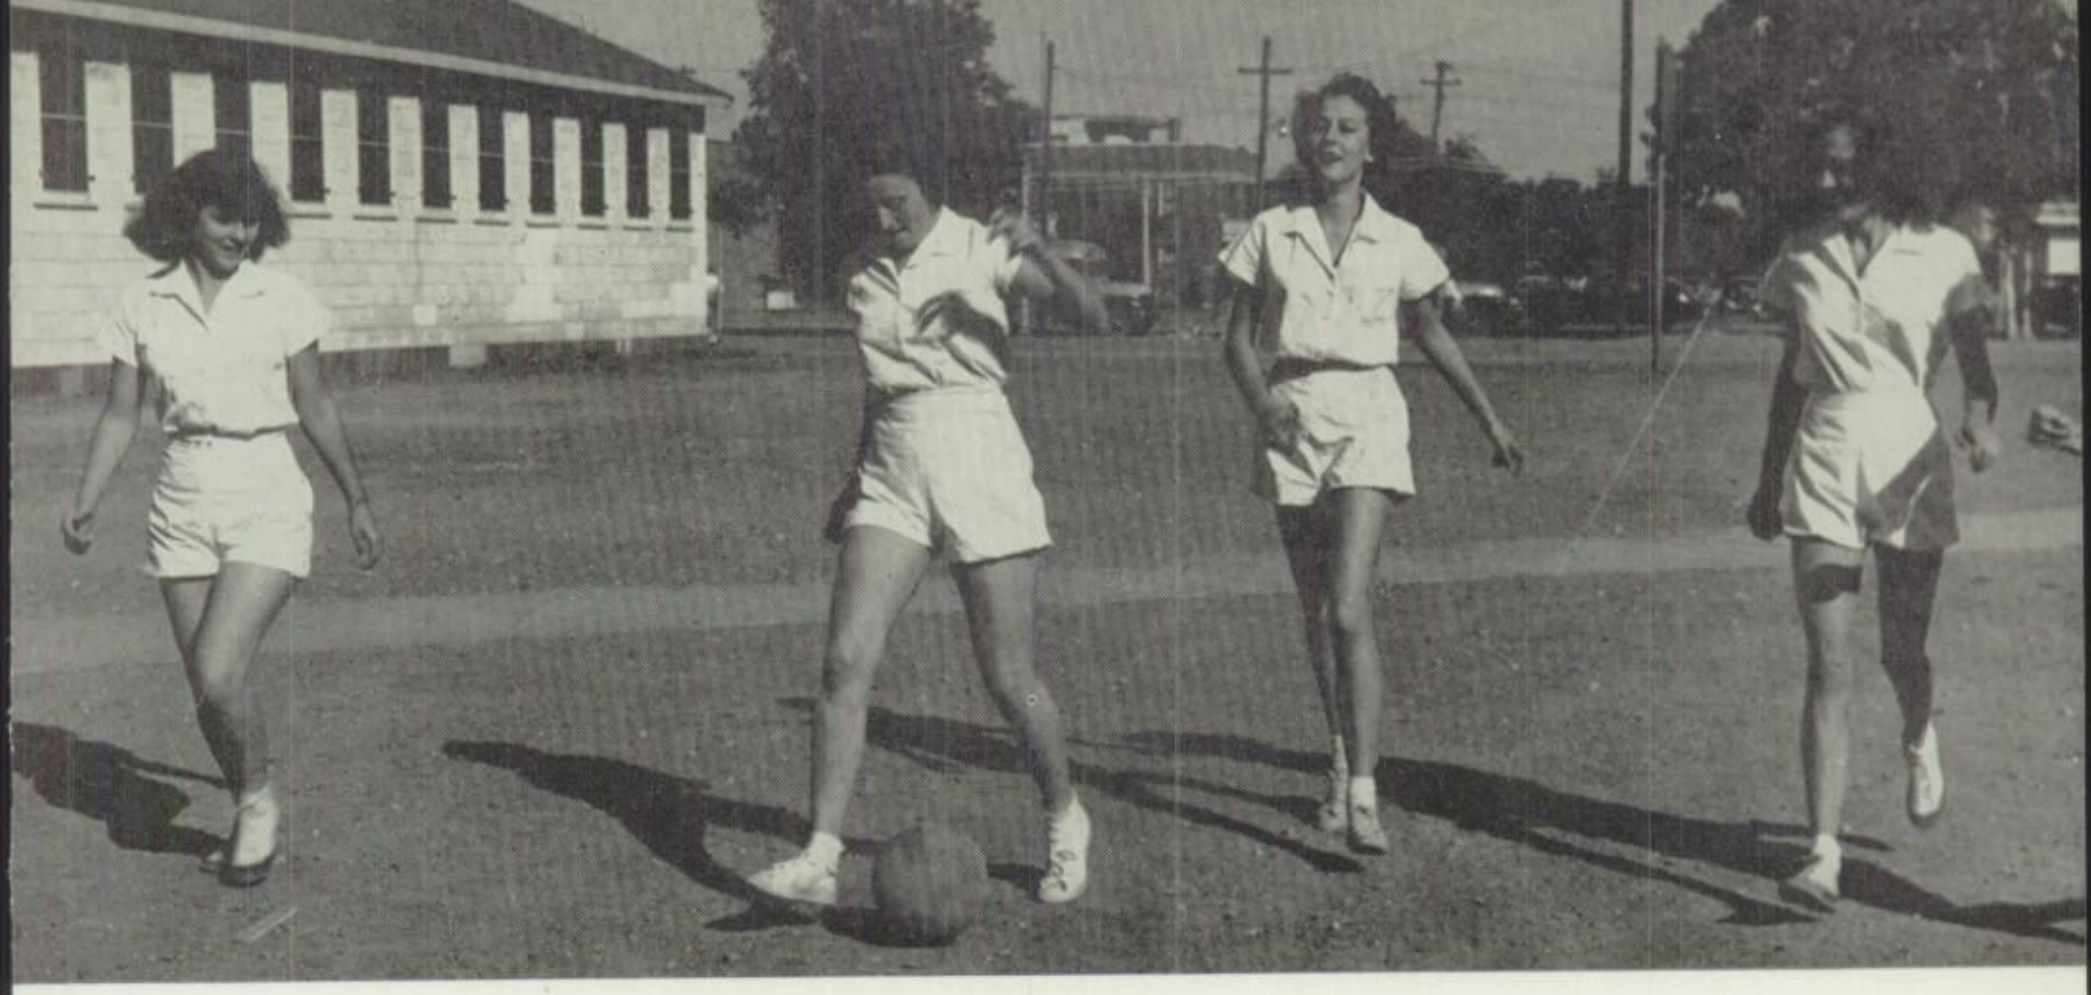
Bringing girl's sports into the spotlight was the final intramural basketball game held in the armory. The Sophomore title was captured by the Smoos. They are Helen Murrey, Sue McPherson, Anna Nell Butler, Carole Boggs, Donna Malloy, Earlene White, Joan Morris, Sue Clearley, and Janelle Williamson. Runners-up were the Blue Ribbon Babes. Maurine Summar, Oleta Woodall, Estelle Wilcox, Toncy Ferguson, Frances Foresight, Lenora Steffns, Jean Whitehead, Dorothy Ivy, Martha Patterson, and Betty Chism make up the team.

Indoors . . .

Tumbling was done early in the fall of the year in all of physical education classes. In spite of sore muscles, broken heads, and skinned joints, tumbling remained the favorite among sophomores, juniors, and seniors. The best tumblers were chosen to perform in several programs for the student body, and are pictured as they appeared on the stage.



Outdoors . . .

While the days were still warm and sunny, physical education classes played soccer, one of the more active games on the program. This game is very much like football, and almost as rough. Incidentally soccer is the national sport in Russia and ranks in popularity as football ranks in the United States.

Headlights

The headlights of another car become visible down the highway and everyone waits expectantly to see who it is.

I'll tell you. It's a typical group of Sandies riding in an average car. They are discussing dances, fads, banquets, and the many other interesting things they do and see each year in AHS.

Follow this group of cheerful students and see why they are able to adapt themselves so readily to all the activities of Sandieland.

School Enrollment

Although it was a wonderful summer, September found students eager to see old friends again and to begin another exciting year in A.H.S.

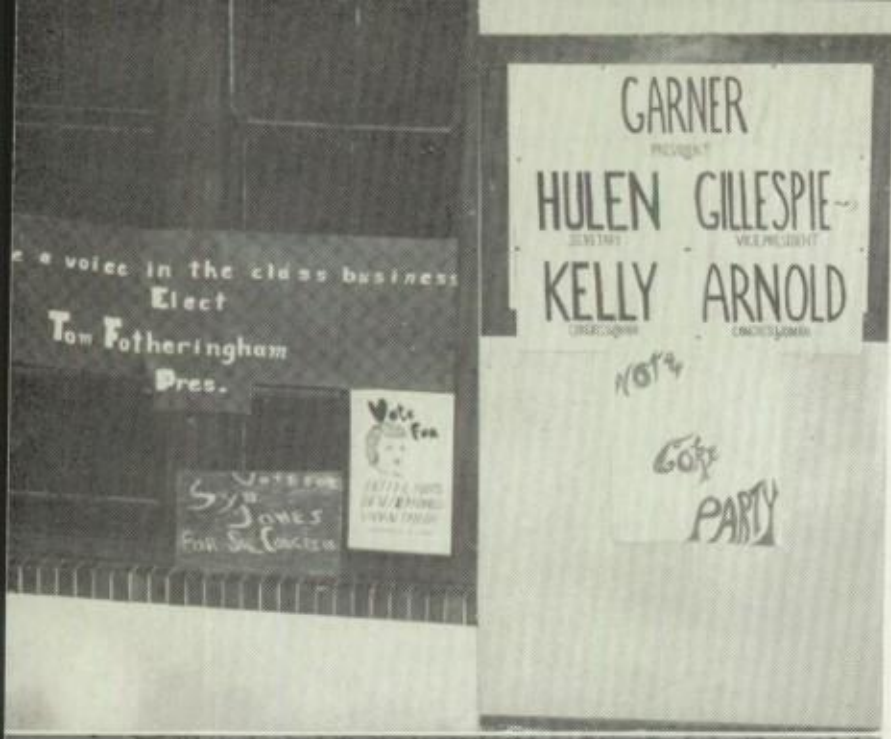
Teachers were swamped by enthusiastic students enrolling in various classes, and "steadies" could be seen hurrying to get identical schedules.

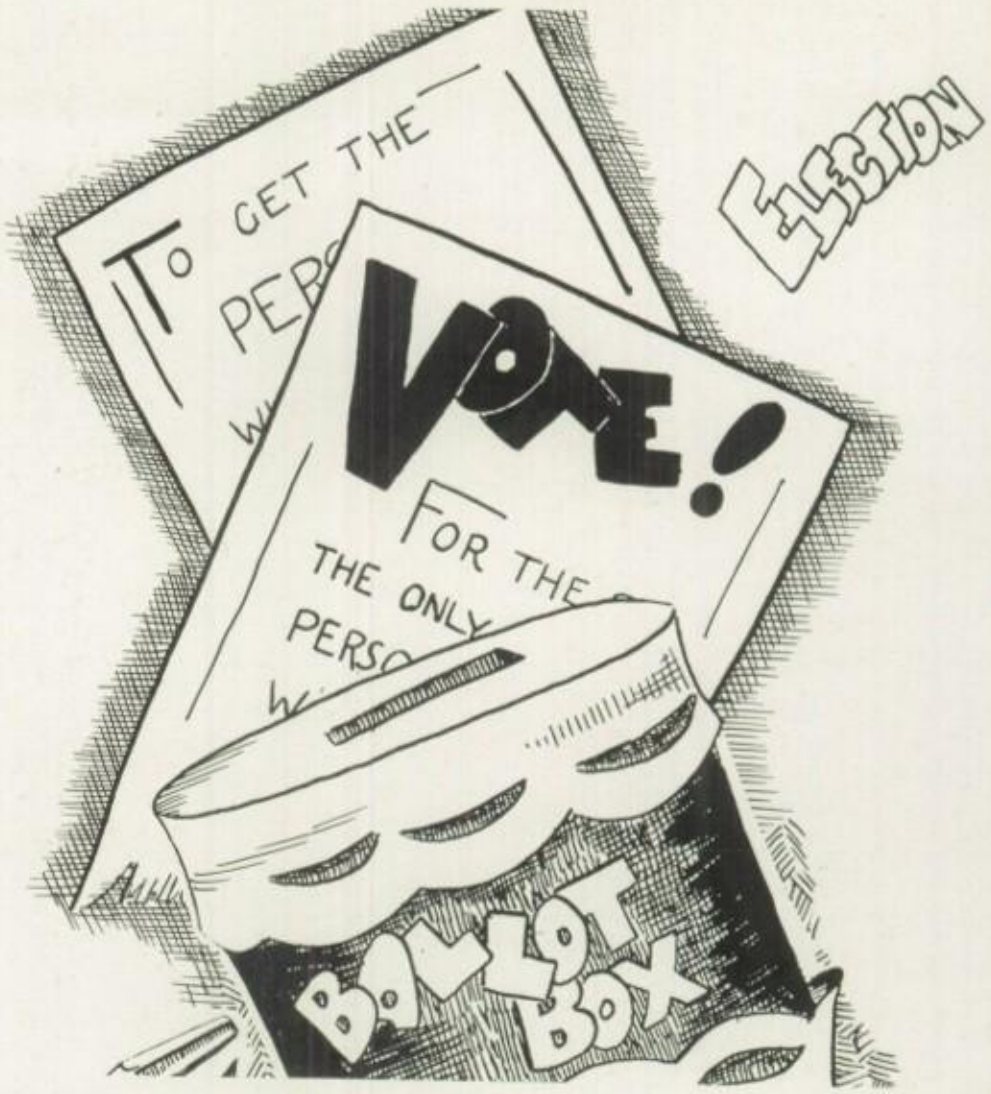
The usual red tape of filling out registration cards kept everyone busy the first few days.

Choir tryouts were held, and classes were begun with vigor.

K. Wil

AHS Politics





The girls competing for queen were presented in an advantageous fashion this year. In years preceding about the only qualifications for queen were popularity, scholarship, and beauty. But this year the girls not only had all of these requirements but displayed dramatic and musical talents.

They were introduced at the first of the assembly in semi-formal dress, and then the speeches and skits of other candidates for offices other than queen were given.

Toward the end of the program the queen candidates were brought back in formal dress for an interview and to display their various talents.

AHS Politics

AHS Politics were launched October 20, and many Sandies competed against each other for much sought-after class offices.

Campaigning and voting help Sandies to learn citizenship and the value of the right to vote. There are no "shirkers" at AHS poles; everybody votes!

The assemblies given to political aspirants were very clever and interesting. Every candidate was given a chance to show his abilities and skills. Colorful posters lined the walls as enjoyable reminders of the coming elections.

Football Fan-fare

The goal posts decorated by the cheerleaders in the traditional colors of the competing teams added a touch of festivity to the games.

The support for the team was felt not only at home but at out-of-town games as well when the cheerleaders, band, and student body marched through the streets of rival towns.

The whole-hearted enthusiasm evident at the home games encouraged the team on to the state finals. Sandies enjoyed their own private cheering section at the north end of the field.

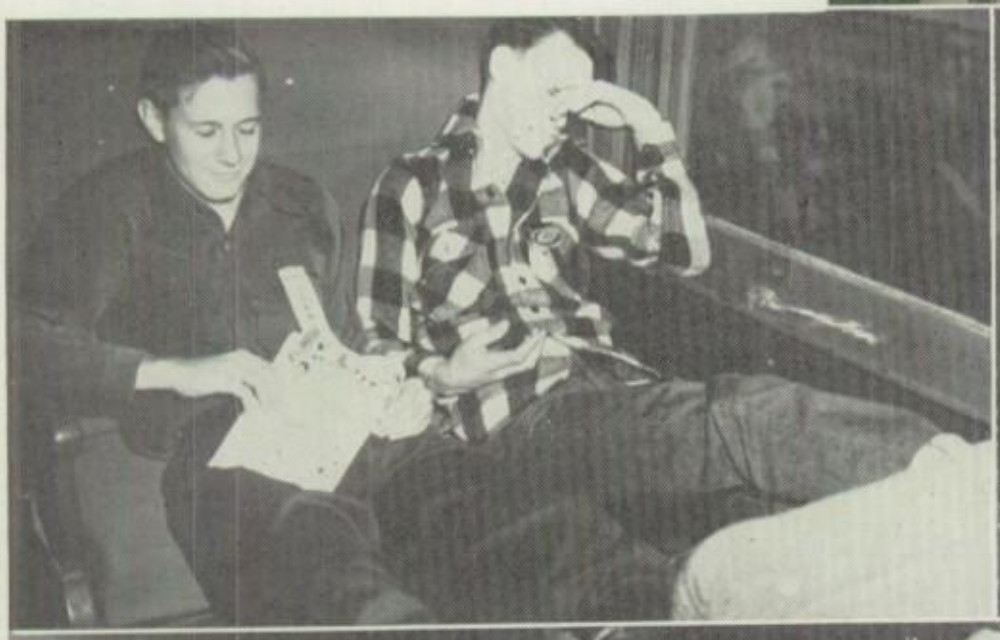
Sandie Specials

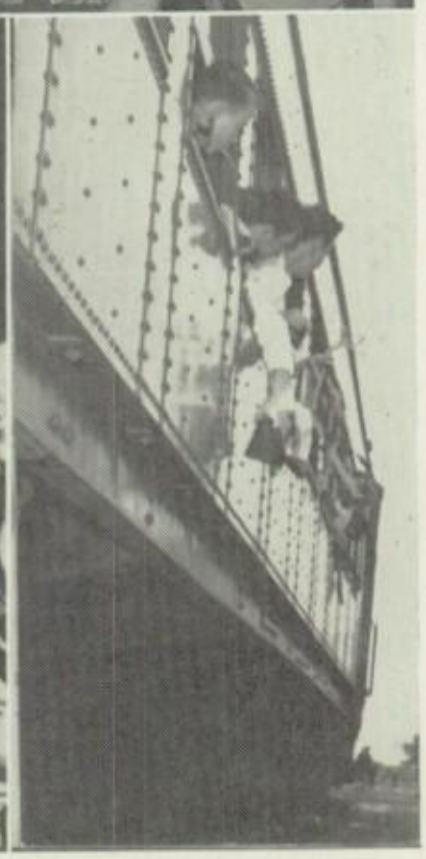
Train leaving for Lubbock at 10:30. All aboard! And that was a trip to remember.

The boys sang so "sweetly" that they lulled two fellow travelers to sleep.

On all the trips cowbells were a vital part of the equipment. The loyal Sandies wanted to be seen and heard.

Going to Fort Worth for the State Finals on the band buses must have been quite an experience. Here we see three members eagerly awaiting the moment for departure.





Here, There, 'n Everywhere

Before each Sandie football game the managers and team ate their supper together in the cafeteria. Over tea and toast the approaching game was thoroughly discussed.

The whole world loves a lover whether it is spring, summer, or fall. This fact was proved when, with rice and good wishes, the cheerleaders sent their sponsor off on a happy honeymoon.

Kampus Kapers

In the well rounded program of activities Sandies really live up to their motto of scholarship, sportsmanship, and service.

Although it is not included in scheduled activities, one of the favorite past times is horseback riding.

The dressing room at Butler Field has seen many "Sandie Greats" in its day. With the building of the new stadium next year, however, a new and more modern room will house the boys.

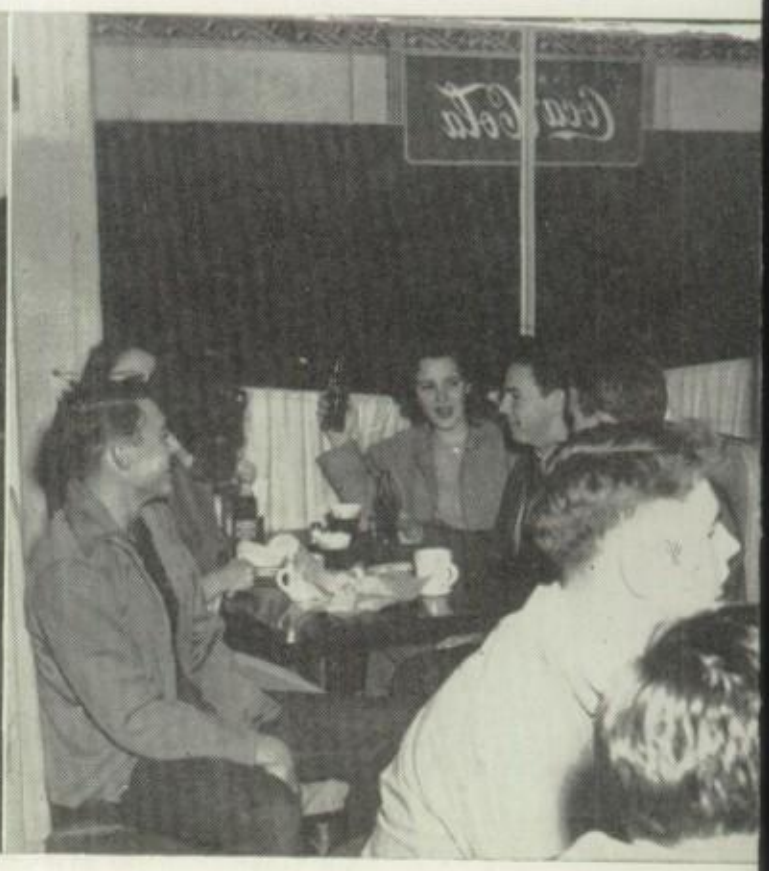
Throughout the day, workers at the Courtesy Table in the main hall were seen selling Sandie sweaters and stickers.

Yale—Texas Tech—Harvard—Texas U—these were familiar words to any who stayed in the Counselors' Office for long. Mrs. Burkhalter had continual conferences with many seniors who anticipated the prospects of scholarships.

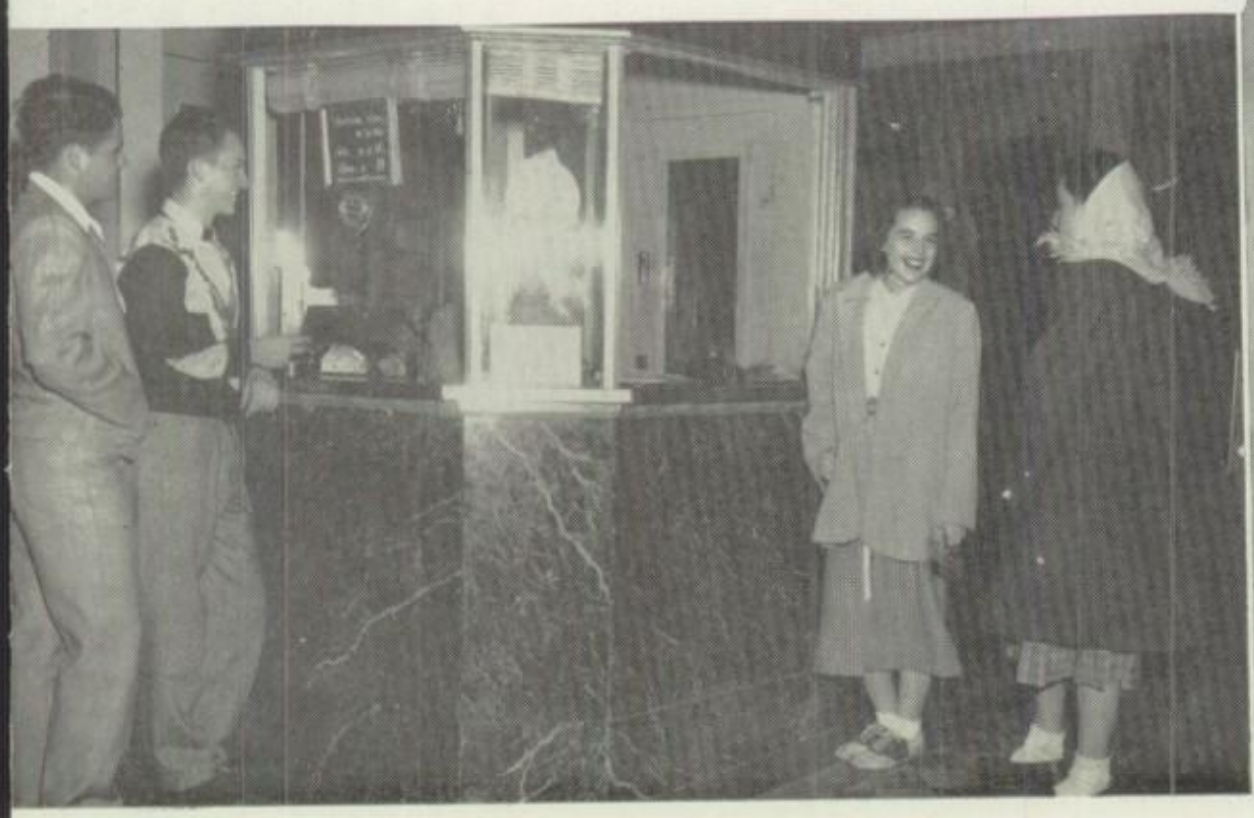
Parking Lights

"Which show would you rather see?" Every weekend Amarillo theatres were packed with fun-loving members of Sandieland.

"How about getting a coke at the drive-in?" After the dances and shows friends met at the drive-ins and eating places to talk things over and compare hot rods. Graduates will never forget the good times they shared.



"Come on! Let's go the fair!" and so, many Sandies ate cotton candy, rode the ferris wheel, had their weights guessed, and tried their luck in the shooting galleries at the annual Tri-State Fair. Many ambitious students entered exhibits in the Administration and Agricultural Buildings while others enjoyed the matinee and evening performances of Tom Moore's "Ladies Be Seated."



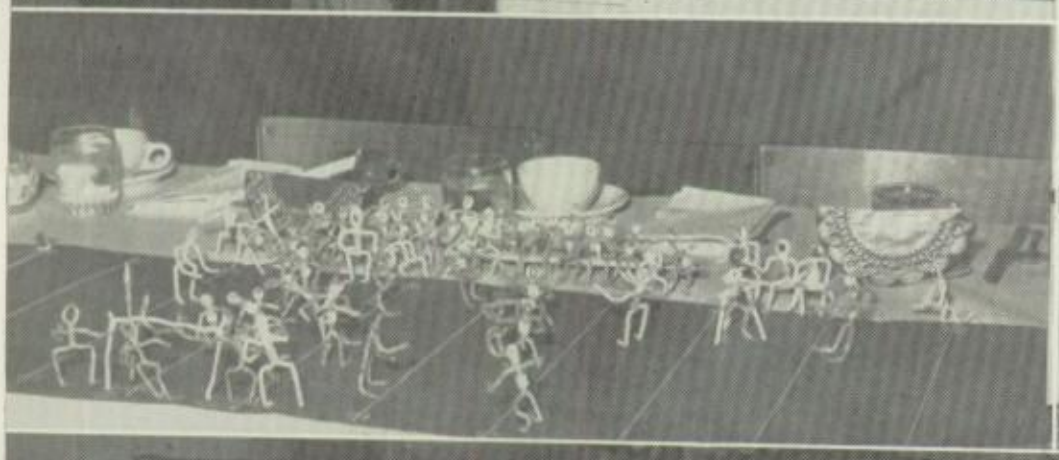
Balls, Bells

One of the biggest events in AHS, the Football Banquet and Dance, climaxed the football season. It seemed strange to see the boys wearing dress suits instead of jerseys and shoulder pads.

The football players were surprised to see miniature figures of themselves in action on the field used for table decorations.

Included in the entertainment at the banquet, a male ensemble sang a group of popular songs.

The dance that followed in the girls' gym was a grand success. The clever decorations featured the circus motif.



and Beaux

The members of the AHS Orchestra enjoyed a banquet held at the Blackstone Hotel, March 4. An ensemble who called themselves the "Hoedowners" entertained with several Western numbers.

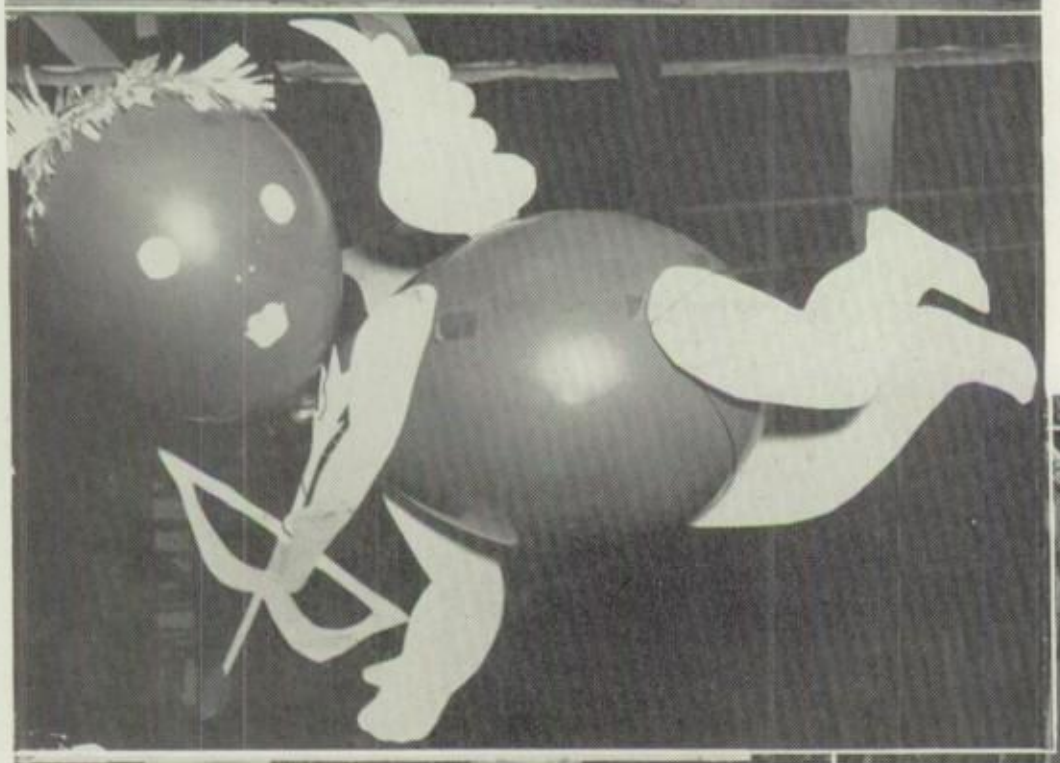
An old-fashioned phonograph played cylinder records with squeaky tones. Speeches were made by several school officials who were guests at the event. The crowning of the orchestra queen completed the program for the evening.

Christmas Cheer

The true spirit of the season rang in Sandieland when the students gave their annual gift to the Children's Home. Several weeks of preparation and planning were terminated in the Christmas program.

Many Sandies shared the joy of the tiny tots who came to receive the gift, consisting of toys as well as canned goods.

The carolers, snow faries, choirs, and girls dressed in white formals and carrying silver branches made the Christmas program a very impressive one.



Cupid's Corner

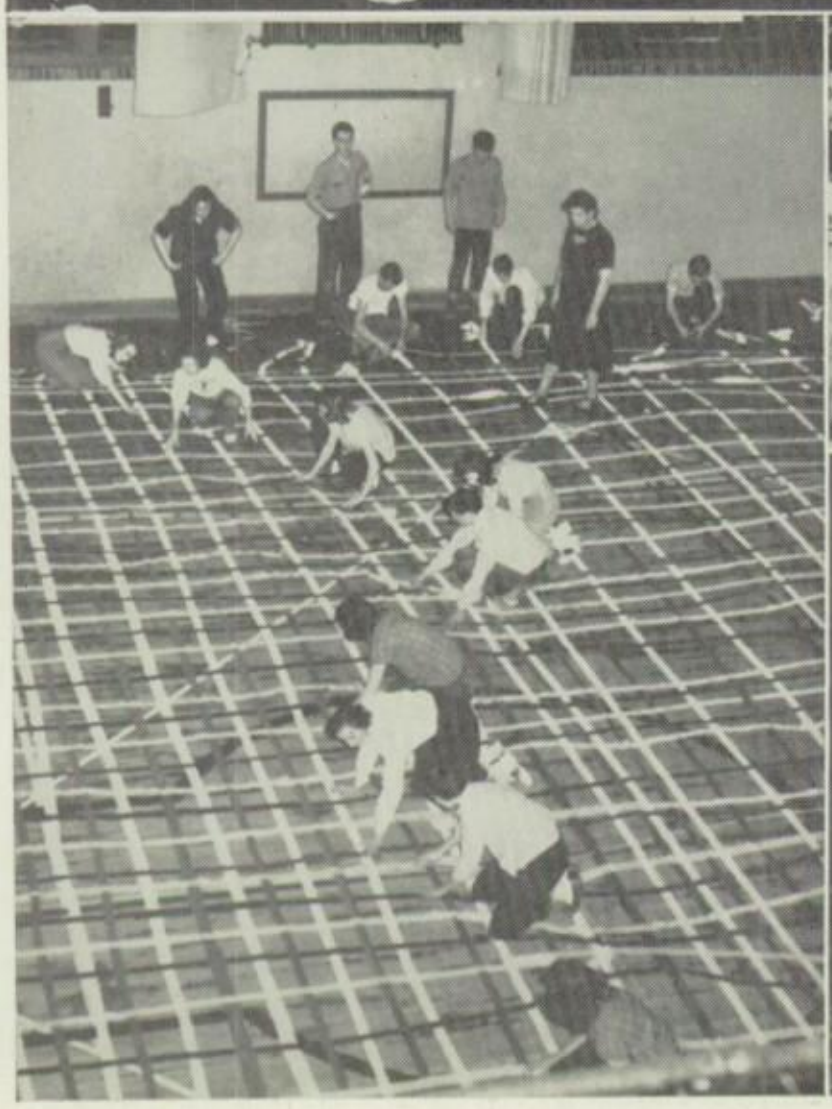
The season of hearts and flowers, sweethearts and cupids was highlighted by the annual Popularity Ball.

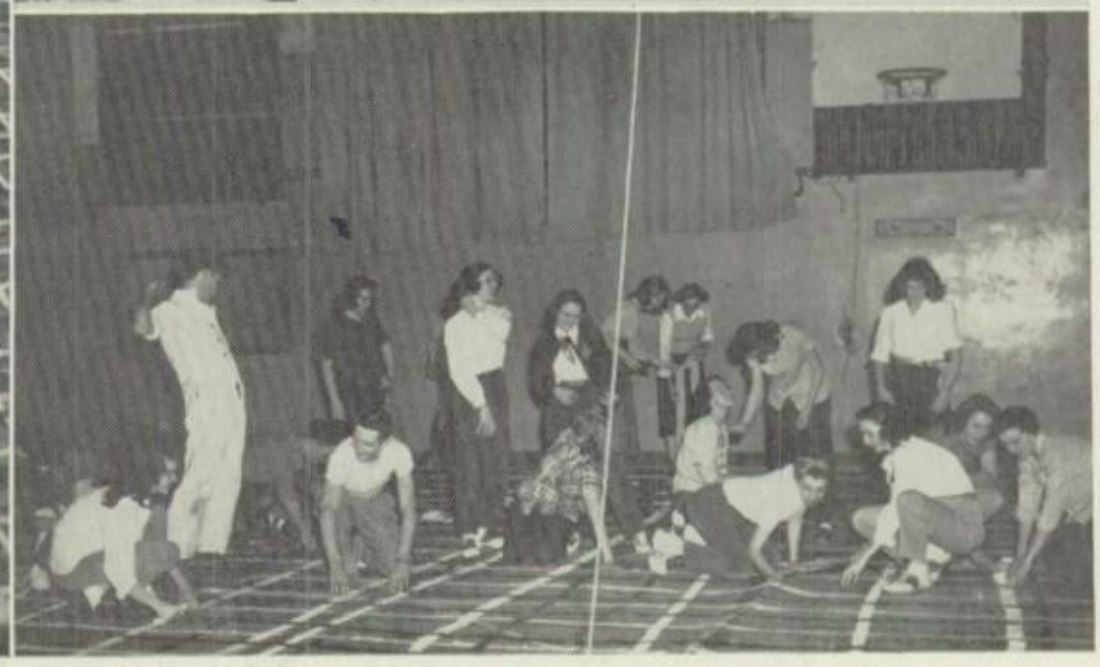
The La Airosa Staff planned and prepared the decorations for almost two weeks in advance. Long hours were spent the night before and the day of the dance to decorate the girls' gym.

Anxious Sandies admired the festive decorations featuring red and white streamers, cupids and hearts.

The class favorites were spotlighted in front of a huge white satin heart.

The Popularity Ball was truly an event to remember.



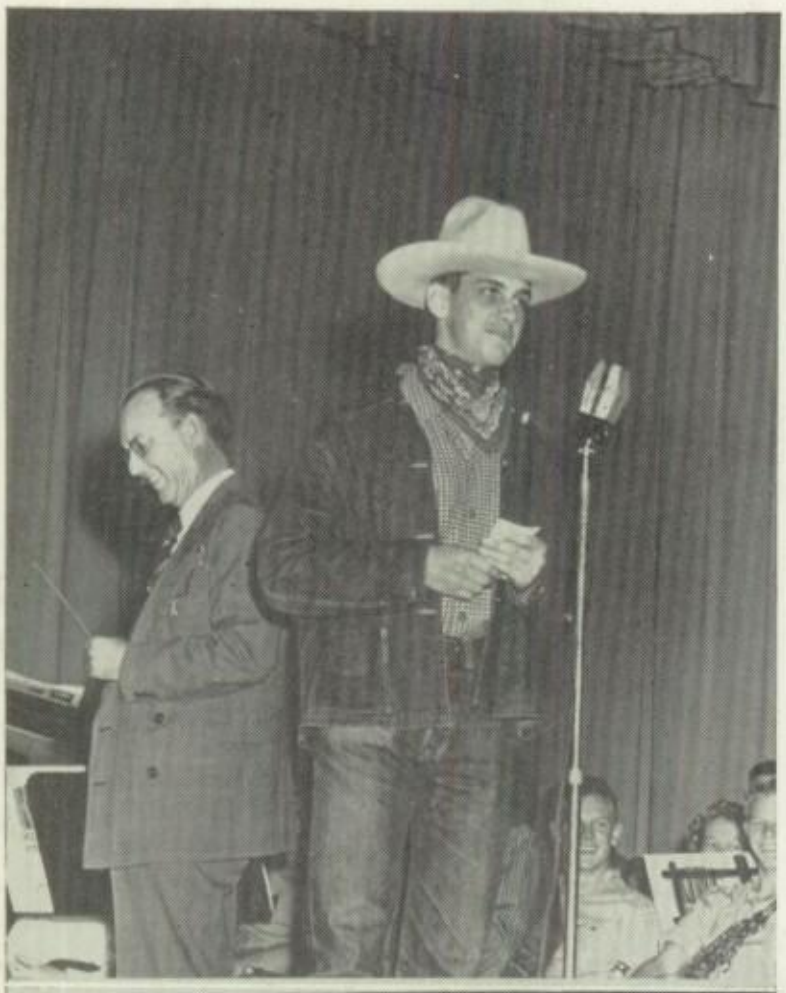


No fond memories of AHS would be complete without those of the Sandie dances. At the Red River Stomp and the Western Dance typical Western attire was worn. This was a contrast to the formal dances held during the Christmas holidays. Various other traditional dances were held throughout the year, also.

Two bands composed of AHS students—the Sandie Swingsters and the Melody Ramblers—furnished the music for many of these dances.

Yellows, pinks, blues, and reds became a beautiful swirl of color as gay couples throng the dance floor. The pink-cheeked girls with their handsome escorts make pictures that will linger long in the memory of everyone.

Sandie Sensations



Perhaps the most popular assemblies were the rousing pep rallies held before each football game.

Clever skits were planned by the cheerleaders and carried out with the help of various members of the student body. Able assistance was acquired from the music and art departments.

A popular group was the Sandiette Trio, composed of three girls who sang new words to old tunes.

The clever and appropriate skit for Halloween revolved around the antics of three witches which increased the literary appreciation of the play "Macbeth" which the seniors were studying.

In the Spotlight

Throughout the year Amarillo and AHS were honored by the visits of several celebrities.

Popular with all was Bob Hope who brought his stage show to Amarillo. With Bob's show was the well-known singer Doris Day.

AHS students, Diane Kent and Cherry Blair, thrilled at the prospect of interviewing two of our most inspirational speakers. Diane talked with Dr. E. Stanley Jones, world famous missionary to India, while Cherry is shown with Dr. Chester Swor, a prominent youth leader.

All Sandies were inspired by the beautiful music created by Rubinoff and his violin.

Standin' Around

To start its season of many activities off with a bang the Aeolian Choir was entertained with a breakfast given by the A Cappella Choir. These combined choirs added entertainment and spirit to the Christmas festivities when they sang at Polk Street intersections one night in early December. Yes, school can be enjoyable, for the free period before school every morning establishes many corridor courtships. Lunch periods in the cafeteria provide a time for relaxation, good food, and a chat with friends.

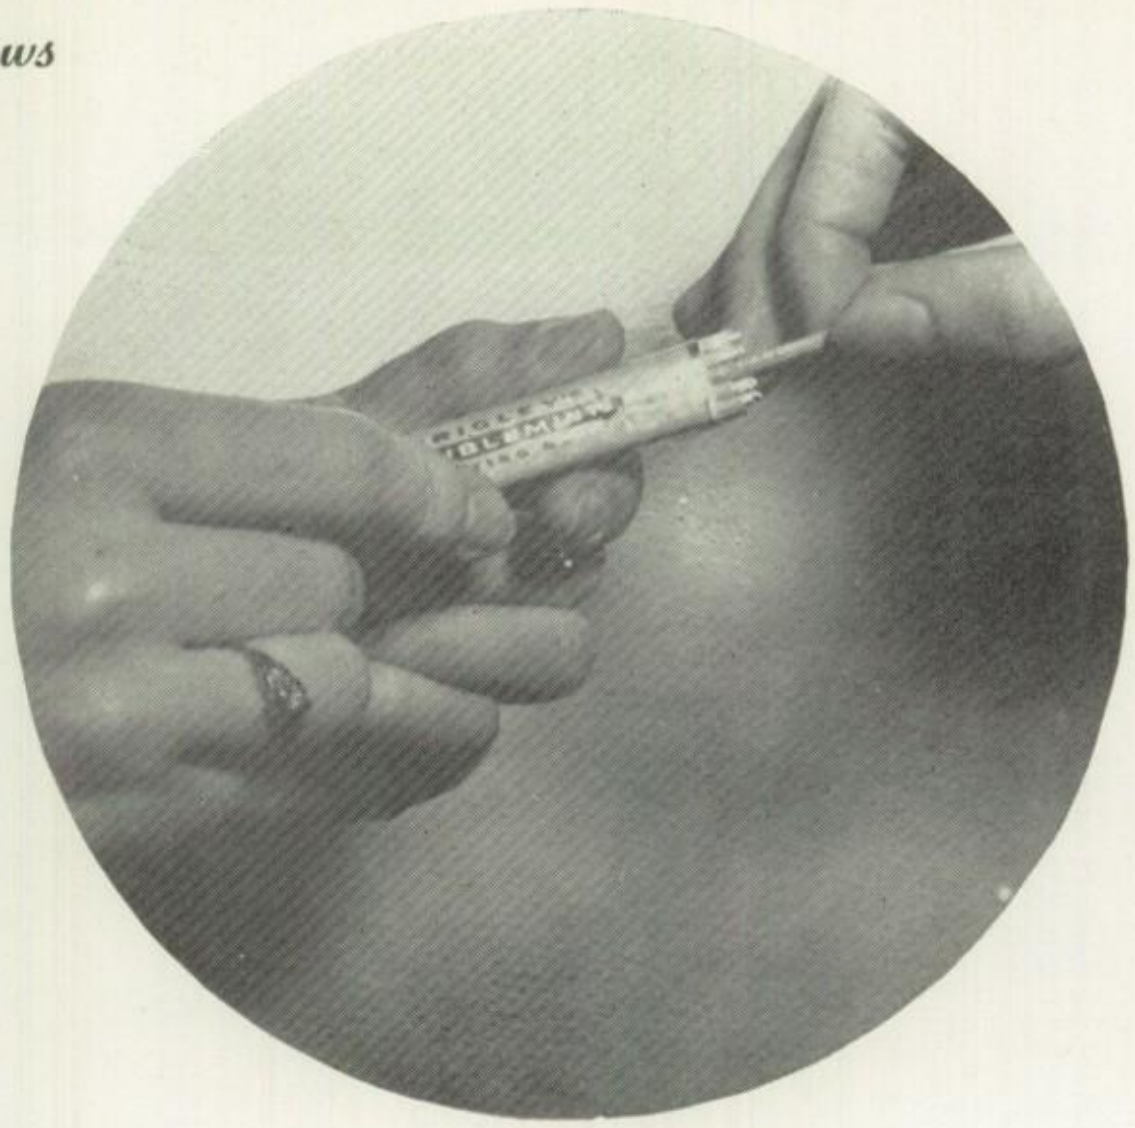
Bumps in the Road

Bang! Crash! Rattle! Squeak! AHS just wouldn't be the same and the boys wouldn't either if it weren't for the hot rods and jalopies. The owners could frequently be seen fixing and refixing and cussing and discussing them. It was always fun to buzz around town and "make the drag" with a car full of kids.

The loud bangs heard in Mr. Norman's office weren't (well, you know what) but often were only his trying to give the amateur golfers some pointers.

We will never forget that AHS was "visited" by Al Jolson or our student speakers at pep rallies and assemblies.

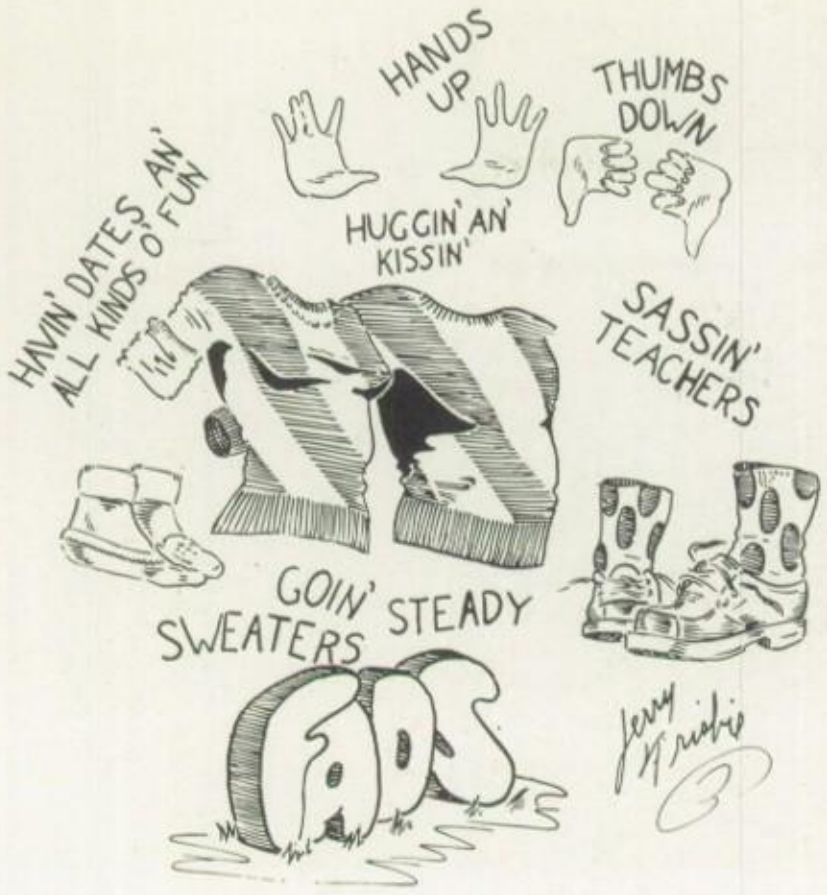
Buttons and Bows



It was just plain "corny" and the girls were really "smoes" when they wished on the middle stick of gum. Oh well, girls will be girls!

"Good boy!" Yes, all the "good ole guys" wore Sandie booster tags on the leg of their levis, which was something new but really a great idea.

Scarfs worn at the necks of blouses, with sweaters, and around the waist; and chokers, earrings, and identification bracelets were several of the ways the girls chose to set off their personalities in 1949.



When the "New Look" found the girls wearing long skirts and peasant blouses, the boys just "stood up and whistled 'Dixie' ".

Motorcycle boots for the boys and beaded moccasins for the girls made a nice balance between loud stomping and noiseless steps.

Moccasins and levis, plaid shirts and cowboy boots started a chorus of "Thumbs down!" from the girls, while the boys responded "Hands up!" to the sweaters of many different styles and hues.

Frontier pants and embroidered Western shirts worn by AHS's cowgirls were quite the thing and really "Grade A".

Out of the Editor's Desk

The melting pot for snaps of all Sandie activities is the editor's desk.

The dancers just waltzed their way right into the top drawer.

The cheerleaders found their way out of the ring of admirers to perch in the first cubby hole at the right, and the members of the orchestra played their way right between the paper clips and a bottle of ink.

Taillights

The friendly attitude of the members of Sandieland is displayed in all phases of student life. The average car full of typical Sandies has passed on, and the tail lights grow dim in the distance. The laughter and gay chatter of the students echo in our ears. The memory of these ventures will remain like a technicolor dream; something vivid, something experienced.
